																	Independent Study/HH													
																	Total 9-12 Projections													
																	2444	2505	2596	2606	2657	2698	2732	2815	2867					

Note: These projections are based on current enrollment information from the SPED and the Dixie School District (CBEDS) with various assumptions regarding attrition and using COHORT projections. These projections assume reduced level of Inter-District (IDT) under the District of Choice Program and they do not factor in any continued increases in the new comer population which may impact enrollment in the future as they have this current year.

Prepared: June 15, 2016
