**Mission:** *To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.*

## **Core Beliefs:**

### **A Boys & Girls Club Provides:**

A safe place to learn and grow...

Ongoing relationships with caring, adult professionals...

Life-enhancing programs and character development experiences...

Hope and opportunity.

**Keystone Club Program:** Keystone is the Boys & Girls Club Movement's ultimate teen program

This unique leadership development experience provides opportunities for young people ages 14 to 18. Youth participate, both in and out of the Club, in activities in three focus areas: academic success, career preparation and community service. With the guidance of an adult advisor, Keystone Clubs aim to have a positive impact on members, the Club and community.

Annually, BGCA hosts the National Keystone Conference, a character and leadership development conference for Boys & Girls Club teens that brings together members from all across the globe. Throughout the conference, Keystone members engage and socialize with peers, explore relevant issues, and develop skills to support and enhance efforts in their local Boys & Girls Clubs and communities.
