Response:

Agree with all findings, assuming the facts as set forth in the Grand Jury's Report are accurate.

RECOMMENDATIONS

R7: Marin County Office of Education should work with the Marin County School/Law Enforcement Partnership to develop educational programs to ensure that students, parents, and teachers are trained in recognizing the signs of human trafficking and where they can find help.

• **Response:**

San Rafael City Schools actively participates on the School/Law Enforcement Partnership. We believe that this recommendation has been implemented. San Rafael City Schools has encouraged staff, student, parent, and Board attendance (as relevant) at countywide events that were offered over the course of the past two years including:

- Human Trafficking and Child Abduction Forum on September 14, 2015.
- Missing Children and On-Line Predators, April 29, 2015.
- School/Law Enforcement Partnership discussion led by the District Attorney's Office on October 21, 2015 and January 16, 2016 during which presentations related to sex trafficking took place.
- A countywide forum which the Marin County Office of Education supported and advertised was held on Thursday January 21, 2016 by the Marin Child Abuse Prevention Council.
