

### A Culture of Continual Learning

At Ipsos, we believe that if we work together, anything is possible. In order to fulfill the promise of educational equity and achievement for every student, we will develop a culture of inquiry. Our school will challenge each student to continually improve, connect with others to solve problems, and create new solutions together.

### Achieving More Together

Come join FREE Workshops for both parents and students

Tuesdays and Thursdays in June  
 Time: 6-7:30pm  
 Where: Pickleweed Community Center  
 50 Canal St, San Rafael CA, 94901

Contact:
