

## Ipsoschools' Board of Trustees

The Board of Trustees for our non-profit organization, Ipsoschools, will also govern the Ipsoschool as an independent charter school. The board will consist of 5-13 members from our community with a diverse range of backgrounds and skill sets to ensure our success.

Advisory Board gives input to the Executive Director and Board of Trustees

## Executive Director

The Executive Director manages and supports the principal, communicates with the board and community members and provides direction for the organization based on stakeholder's voices.

## Principal

The principal manages and supports all certificated and classified staff and leads student and parent leadership teams.

## Advisory Board

Consists of the principal and representatives from the parent, teacher, student, and ELAC and community leadership teams

## Teachers and Classified Staff

Certificated and classified representatives will share their voice on the advisory board.

## Student Leadership Team

## Parent Leadership Team

## English Learner Advisory Council

## Community Leadership Team

The principal will assemble committees to include members from each stakeholder group. The leadership team will identify and solve problems together. Each team will send representatives to the advisory board to give input to the Board of Trustees and Executive Director.
