

MEMBERSHIP APPLICATION

In making this application for CAC membership it is my understanding that the CAC is looking for people who:

- Are committed to the free and appropriate education of all children;
- Understand there are support activities, separate from the meetings, needed to increase CAC effectiveness and enhance school for all children;
- Are able to work well with others, realizing education is a team effort;
- Are committed to attending 4 meetings per year;
- Will consult with district Director on a regular basis.

1) Why are you interested in the CAC?

I would like to use my personal and professional knowledge to benefit students and families in San Luis Obispo County.

2) What background do you have that relates to students with disabilities?

I'm the parent of a student with disabilities and an attorney with Disability Rights California where I oversee a statewide advocacy program for people with intellectual and developmental disabilities.

Thank you!

Name: Shannon Cogan
Address: 9950 Spotted Bass Ln. Paso Robles, CA 93446
