SCHOOL BOARD MEMBER PROVISIONAL APPOINTMENT APPLICATION
Additional Information

Application of: Adelita Hiteshew Date: 11/23/2021

1. Have you served on or do you currently serve on any community commission, committee or other type of board or in any other publicly elected office? If so, which of these and dates served?

Please see attached.

2. Do you hold any other public office or have any business relationship with the district that might constitute a potential conflict of interest with service on the Board? If so, please list the public office or business relationships so we can verify your eligibility for office, if you wish.

I am currently registered as a substitute para-educator for the district. I have been unable to take any positions this year but

intend to as soon as I am able. Should I be chosen as a member of the board, I would be willing to resign

from my paid position with the school district to avoid any potential conflict of interest.

3. Have you participated in any school, city, or community activities or committees recently? Please list and explain.

Please See attached

4. Briefly explain your reason or interest in becoming a school board member.

I am the mother of three children currently enrolled in the district. I was employed as a kindergarten para-educator

with the district and am currently registered as a para sub. I am interested in being appointed for the open position on behalf of my children

and the kiddos that I have had the pleasure of working with over the years.

5. What do you see as the basic purpose of the public schools?

Public schools are meant to prepare students for their future and build community for our children. I see public schools, our system in particular, as a lifelong tie to our community and a point of pride. Public schools should be a safe place that provides education, a warm meal or two, and a support system to foster growth.

6. What is the role of the school board in the fulfillment of that purpose?

The school board is responsible for holding the school district accountable in serving our children.
The board must also provide support to achieve the goal of the district, which is to prepare our children for their future.
They are a voice for the community.

7. What should be the relationship between the board members and the administration in the handling of school concerns?

The board and the administration have a common goal in preparing the children for their future.
The relationship should be one of a partnership working towards that goal. The board and the administration should take into consideration the perspective of the other to work towards the goal of what is best for the students.

8. What is the single most critical issue facing the District in the immediate future and how would your background and experiences help the District to meet this challenge?

It is no secret that the district currently faces many challenges that are in the public eye. The biggest issue facing the district, however, is supporting the students and staff in the post-pandemic world. I have been in classrooms and have seen what it takes to deliver the quality of education that Paso Robles Joint Unified has to offer.

9. What do you see as the strengths of PRJUSD?

PRJUSD has a track record of preparing students for success. The high school has a high graduation rate, and as a parent, I can attest to the fact that every teacher my children have had was caring and invested. I have also seen the district's efforts in the last year to give parents a voice in the difficult decisions that need to be made.

10. What do you see as the area(s) most needing improvement in PRJUSD?

The district needs to come together more than ever right now. The district needs healing and understanding so that we can make international headlines for our quality education, exemplary athletics, and phenomenal

SkillsUSA, CTE, VAPA, among others. We need a positive spotlight on our students.

11. Additional information or remarks you believe are relevant to this appointment:

I have an extensive record of speaking for the children of the Paso Robles School District. I work to ensure that I not only speak for my children but for every student that walks on our campuses.

I believe in the mission statement of the district. Every student will have success.

12. Can you commit to attending the following meetings beginning at approximately 5:00 p.m.?

Question #1

I have served on many boards over my time as a parent. I will list my positions to the best of my memory.

2020/2021 School Year- I served as the committee chair for the Flamson Site Council. 2019/2020 I was elected president of the Pat Butler PTA during a special election in January of 2020

2017/2018 School Year- I served as the VP of membership for the Pat Butler PTA

2016/2017 School Year- I served as historian for the Pat Butler PTA and was the Committee Chair for the Pat Butler Site Council. I also served on the LCAP committee for that year.

2016-2018- I began serving on the Parent Committee for Cub Scout Pack 92 and would become Committee Chair later that year. I continued to serve in scout leadership until 2018.

2015/2016 School year- I served as the historian for the Pat Butler PTA and was elected to the Site Council

Question #2

I attended the recent Town Hall Unity Workshop on November 17th. I am interested in working to build a stronger community. The town hall offered an opportunity to start that work.

I participated in the community meeting for school boundaries on November 10th and gave feedback. I feel that potential school closure and or redrawing of attendance boundaries will affect us all.

I regularly attend and participate in Flamson PTO meetings. Regular involvement at all school levels is important to me, and I appreciate the opportunities the Flamson Blue Backers offers.

Last school year I served on the LCAP committee and the Grade Span committee. I was invited to the LCAP as the committee chair of the Site Council, and I applied for a seat on the Grade Span committee as a representative from Flamson.
