5. What do you see as the basic purpose of the public schools?

To produce knowledgeable citizen with respect for others. I also believe it should help delineate the skilled workers from the college bound students.

6. What is the role of the school board in the fulfillment of that purpose?

to ensure a diverse & well rounded curriculum

7. What should be the relationship between the board members and the administration in the handling of school concerns?

Hopefully to work together for the common good.

8. What is the single most critical issue facing the District in the immediate future and how would your background and experiences help the District to meet this challenge?

Politics & education needs to be separated.

9. What do you see as the strengths of PRJUSD?

a rural community with little crime, solid families, an agrarian economy. The children/students have a wide variety of interests & pursuits available
