Re: Santa Rosa City Schools
Abraxis Charter School Request for Material Revision

Dear Mr. Paige:

By letter of July 18, 2016, Santa Rosa City Schools (“District”) advised Abraxis Charter School of the timeline for consideration of the charter school’s request for material revision. The timeline included the following dates:

August 24, 2016: Abraxis officially submits its request for material revision to the Board
September 14, 2016: The Board public hearing on the request at its meeting
October 12, 2016: Board Action

The District’s July 18, 2016 letter requested that “Abraxis officially submit its request for material revision to the Board during public comment at its August 24, 2016 meeting.” Abraxis failed to do so. Therefore, the above dates are vacated and must be rescheduled.

Please be advised that under Education Code section 47607(a)(2) and 47605(b), Abraxis must submit its request for material revision to the Governing Board. Therefore, the 30-day timeline for the Board to hold its public hearing, and 60-day timeline to take action on the request for material revision, has not yet started to run.

Please verify in writing that Abraxis will submit its request for material revision to the Board at the September 14, 2016 meeting. Once Abraxis does so, the District will provide the schedule for the public hearing and determination meeting.

Please contact me if you have any questions.

Very Truly Yours,

Steven J. Eichman, Assistant Superintendent, Business Services
Santa Rosa City Schools
