## 2015-2016 School Accountability Report Card

### I. DATA AND ACCESS

#### SARC Data

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the new Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

#### Additional Information

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### II. ABOUT THIS SCHOOL

#### School Description and Mission Statement (Most Recent Year)

San Pedro Elementary School is located east of downtown San Rafael. It serves the San Rafael Canal community and communities east and west of Highway 101, all approximately three miles away from the school site. Approximately 97 percent of San Pedro's student population is Latino, with cultural groups predominately originating from Guatemala, El Salvador, and Mexico.

The staff of San Pedro is dedicated to meeting the needs of the school's many English language learners and helping them to achieve high academic goals. The school staff works closely with families to engender a strong sense of school community and to support their goals for academic and social success for their children.

San Pedro School is dedicated to educating each child in a safe, enriching environment with the highest standards of academic excellence. It is the school's goal for each child to achieve mastery of California Common Core State Standards, to become proficient in the English language, and to develop a lifelong love of learning with the ability to realize his/her potential. Working together with families, San Pedro Elementary strives to provide a comprehensive and engaging learning environment for its students, staff and parents.

#### Student Enrollment by Grade Level (School Year 2015-2016)

### II. ABOUT THIS SCHOOL

#### Student Enrollment by Group (School Year 2015-2016)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment	Group	Percent of Total Enrollment
Black or African American	0%	Two or More Races	0%
American Indian or Alaska Native	0%	Other	0%
Asian	0%	Socioeconomically Disadvantaged	97.9%
Filipino	0%	English Learners	81.3%
Hispanic or Latino	100%	Students with Disabilities	8.2%
Native Hawaiian or Pacific Islander	0%	Foster Youth	0%
White	0%		

### III. CONDITIONS OF LEARNING

#### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Credentials (Three-Year Comparison)

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence.

Teachers	School			District
	2014-2015	2015-2016	2016-2017	2016-2017
With Full Credential	27	29	29	253
Without Full Credential	0	0	0	2
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	4

#### Teacher Misassignments and Vacant Teacher Positions (Three-Year Comparison)

A "teacher misassignment" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. A "vacant teacher position" is one in which a single designated teacher has not been assigned to teach an entire course at the beginning of the school year or semester. This table displays the number of teacher misassignments and vacant teacher positions for the most current three-year period. Note: *Total Teacher Misassignments* includes the number of *Misassignments of Teachers of English Learners*.

Indicator	2014-2015	2015-2016	2016-2017
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

## 2015-2016 School Accountability Report Card

### III. CONDITIONS OF LEARNING

#### Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-2016)

The Federal Elementary and Secondary Education Act (ESEA) of 2005-2006 requires that core academic subjects be taught by Highly Qualified Teachers (HQT), defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. This table displays the percent of classes in core academic subjects taught by and not taught by Highly Qualified Teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High-poverty schools are defined as those with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals program. For more information, see the *Improving Teacher and Principal Quality* Web page at <http://www.cde.ca.gov/nclb/sr/tq>.

Location of Classes	Percent of Classes in Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100%	0%
All Schools in District	100%	0%
High-Poverty Schools in District	100%	0%
Low-Poverty Schools in District	100%	0%

#### Quality and Currency of Textbooks and Instructional Materials (Most Recent Year)

Curriculum development is a district-wide effort. Teachers and administrators from all subject areas form working committees to draft recommendations on courses of study, appropriate textbooks, and other instructional materials.

The California Department of Education has determined textbook selection and adoption schedules. The district follows the state schedule for these adoptions and has purchased textbooks from the most recent state-approved lists. All approved instructional materials are aligned with California content standards for core academic areas.

The Elementary School District Curriculum Advisory Council, composed of administrators, teachers, and parents representing each school in the district, reviews curriculum recommendations and revisions for all courses of study, appropriate textbooks, and other materials utilized in the support of the instructional program. The Curriculum Council recommendations are forwarded to the Board of Education for final approval. This is an ongoing process, assuring that all textbooks and instructional materials are systematically reviewed, updated, and supplemented.

This table shows some of the textbooks used with grade K-5 students. A comprehensive list of all textbooks is available at the district office.

Subject Area	Textbook Publisher and Title	Grade Level	Year of Adoption
English-Language Arts	Houghton Mifflin Harcourt– <i>California Journeys</i>	K-5	2016
English Language Development	Hampton Brow- <i>Into English</i>	K-5	1997
English Language Development	Pearson- <i>Language Central</i>	K-8	2011

#### *Availability of Textbooks and Instructional Materials (Most Recent Year)*

With textbook funding assistance from the state and other sources, the district has been able to purchase sufficient materials to provide one textbook per student in all core subject areas. The Board of Education last approved the sufficiency of textbooks and instructional materials for the San Rafael City Schools Elementary District on October 10, 2016.

#### *School Facility Conditions and Planned Improvements (Most Recent Year)*

At San Pedro Elementary School, the campus is well maintained and students report that they feel safe at school. San Pedro ensures that on-site supervision is provided for programs that take place both before and after school. Every morning, 25 minutes before school opens for instruction, staff provides supervision for all K-5 students during breakfast and recreation times. The after-school program is located on campus and operates Monday through Friday for three hours each day. Attendance is taken every day: absences are reported and checked on by the program director. The after-school program is offered to fourth and fifth-grade students as well as a select number of second and third-graders who are performing academically below grade level. Additionally, our after-school program is open to all students in first through fifth grades who reside in homeless shelters. This robust program focuses on academic intervention and enrichment that are directly tied to our adopted school day curriculum and instructional practices.

District and school policy require that during the school day all guests to the San Pedro campus must sign in at the school office and obtain a "visitor badge" that identifies them for security personnel, staff, and students. All San Pedro staff members are required to wear photo ID badges. All students and faculty have reasonable amounts of classroom and open spaces that support a strong and enjoyable learning environment.

San Pedro Elementary School was originally opened in 1956 and then, after being closed in 1970 due to declining enrollment, was renovated and reopened in 1991. The school has a total of 24 classrooms (18 permanent and six portable), a multipurpose facility, a music building, a library room, computer lab, and a student services (administration) building. The school underwent modernization in 2005 with the use of voter-approved school bond funds and state modernization funds. Improvements included modernization of all existing classrooms, construction of a new library/computer lab/classroom building, and construction of a new multipurpose building with a stage and two classrooms. Final facility improvements completed during the 2007-2008 school year included a field rehabilitation project to restore the field that was used as a staging area during construction of the new building. Most recent, during the summer of 2013, three new portable classrooms were added to the campus.

The district strives to ensure that all schools are clean, safe, and functional. All bathrooms, classrooms, and offices are cleaned daily. Students are encouraged to help keep the campus clean by recycling. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. An on-line maintenance order request process is used to ensure efficient service and that emergency repairs are given the highest priority.

The state's School Deferred Maintenance Program, which provided state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components, became inoperative effective July 1, 2013. However, the district continues to make an annual contribution to support capital improvement projects, including deferred maintenance projects.

San Rafael voters approved Measure A in November 2015 to fund capital facilities projects to improve our school facilities. Measure A provides \$108 million to update: Bahia Vista Elementary School, Glenwood Elementary School, Laurel Dell Elementary School, San Pedro Elementary School, Venetia Valley School and Davidson Middle School.

### III. CONDITIONS OF LEARNING

#### *School Facility Conditions and Planned Improvements (Most Recent Year)*

Over the next eight years, SRCS' bond program will provide much needed capital improvements to our facilities to create safe, innovative learning environments and to provide instructional technology to support 21st century learning. Additional classrooms, labs and equipment will reduce overcrowding in our schools and will meet the growing demand for hands-on science, technology, engineering, arts and math (STEAM) classes.

#### *School Facility Good Repair Status (Most Recent Year)*

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

### IV. PUPIL OUTCOMES

#### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### Statewide Student Assessments

The Standardized Testing and Reporting (STAR) Program was last administered during the 2012-2013 school year. California's new statewide student assessment system, the California Assessment of Student Performance and Progress (CAASPP), was established January 1, 2014 and first administered during the 2013-2014 school year. The CAASPP comprises the following assessments:

- Smarter Balanced Summative Assessments for students in the general education population for English language arts/literacy (ELA) and mathematics given in grades 3 through 8 and 11;
- California Alternate Assessments (CAAs) for ELA and mathematics given in grades 3 through 8 and 11. The CAAs have replaced the California Alternate Performance Assessment (CAPA) for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards (CCSS) for students with significant cognitive disabilities; and
- Science assessments including California Standards Test (CST), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA), in grades 5, 8, and 10.

*Note on ELA and Mathematics tests: results include both the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.*

*Note on Science tests: results include CST's, CMA, and CAPA. The "Percent Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.*

*Note on all tests: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes appear (—) when the number of students tested is ten or less.*

#### CAASPP Test Results in ELA and Mathematics for All Students (Two-Year Comparison)

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education.

#### California Physical Fitness Test Results (School Year 2015-2016)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the cumulative percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness testing Web page at <http://www.cde.ca.gov/ta/tg/pf>.

### V. ENGAGEMENT

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### Opportunities for Parental Involvement (Most Recent Year)

**Contact Person Name:** Rosa Gonzalez, Family Center Coordinator

**To Reach Contact Person:** 415-485-6078, or [rgonzalez@bacr.org](mailto:rgonzalez@bacr.org)

Parent involvement is a vital component of the educational programs at San Pedro Elementary School. San Pedro relies on and greatly appreciates the countless parents and guardians who contribute their time and expertise as leaders and volunteers and who share their financial resources to support the goals and aspirations of our school.

Parents have the opportunity to play a fundamental role in their child's school experience through a number of activities, including monthly School Site Council and Parent Teacher Association leadership meetings, PTA International Café general meetings (four meetings last year), site and district English Language Acquisition Committees, Back-to-School Nights, parent conferences, Pre-K through fifth-grade Parent Education events, garden workdays, parent volunteering opportunities in classrooms and school wide, and parent-led fundraising events.

San Pedro School also works closely with families to provide many educational opportunities for full involvement in the educational process through a wealth of services, including: Latino Family Literacy Project, family advocacy for Pre-K through fifth-grade families, counseling, legal and social services, weekly parent transportation shuttles, Head Start / San Pedro State Preschool, collaborative parent education series, After-School Education and Safety Program (ASES), community liaison services, and other on-site parent education offerings.

### V. ENGAGEMENT

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### *Suspensions and Expulsions (Three-Year Comparison)*

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school, district, and state levels.

#### *School Safety Plan (Most Recent Year)*

**Date Reviewed and Updated:** December 2015

**Date Discussed with School Faculty:** January 2016

San Pedro Elementary School has a comprehensive school safety plan covering all aspects of planning for emergency response and student safety. This plan is based on and coordinated with the district and county emergency preparedness plans. The plan is reviewed with school staff at the start of the school year. The plan is updated annually to increase preparedness for any emergency, including storms, fire, earthquake, or intruders on campus. The school has staff members who are trained in cardiopulmonary resuscitation (CPR) and first aid. Disaster drills are held once a month throughout the year. The school also participates in a countywide disaster preparedness drill annually. Key elements included in the school safety plan include:

- Updated staff and community phone contacts
- Staff emergency role assignments and responsibilities
- On-site emergency procedures
- Bus driver emergency protocols
- Updated emergency supplies and equipment

### VI. OTHER SARC INFORMATION

The information in this section is required to be in the SARC but it is not included in the state priorities for the LCFF.

#### *Federal Intervention Program (School Year 2016-2017)*

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years. After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE PI Status Determinations Web page at <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

DataQuest is an online data tool that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners). The DataQuest Web page is located at <http://dq.cde.ca.gov/dataquest/>.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
