## SRCS Alignment Project

January 2017

### Overview

A team comprised of members from San Rafael City Schools and Kelli Leavell of Making A Difference Consulting will work collaboratively to align HMH Journeys and SEAL.

#### Goals

1. **Identify the critical components of SEAL and HMH Journeys.**
2. **Create an alignment document that clearly articulates connections between the critical components of the two programs.**
3. **Develop tools and resources to support successful implementation of alignment plan and increase student outcomes.**

### Cost Proposal

Daily consulting fee = \$1600 plus travel

Proposed dates of work - March 8-9, 2017. Travel costs will be shared with Marin County Foundation as Kelli Leavell will be in Marin County providing consultation services for the P-3 PESSA grant the the remaining days of that week.

Estimated cost = \$3200 (plus shared travel costs of approximately \$600)
