

TITLE I PROGRAMS

In order to improve the academic achievement of **district schools eligible to receive Title I federal funds**, ~~disadvantaged students USD~~ **the district** shall use federal Title I funds to provide eligible students with supplementary services to reinforce the core curriculum and assist students in attaining proficiency on state academic standards and assessments.

~~In any school receiving Title I funds that does not operate a school-wide program, the District shall use Title I funds only for targeted assistance programs for eligible students (P.L. 107-110, Section 1115).~~

The Superintendent or designee shall provide technical assistance and support to any school participating in the Title I program, including consultation in the development and implementation of school plans and activities. **(20 USC 6312)**

~~The Superintendent or designee shall ensure the coordination of Title I activities with other programs as appropriate.~~

Parent Involvement

The district and each school receiving Title I funds shall develop a written parent involvement policy in accordance with 20 USC 6318.

District Plan

The Superintendent or designee shall consult with teachers, principals, administrators, other appropriate school personnel, and parents/guardians of participating students in the development, periodic review, and, as necessary, the revision of a plan describing the assessments, strategies and services the district will use to help low-achieving students meet challenging academic standards. (20 USC 6312)

Comparability of Services

State and local funds used in schools receiving Title I funds shall provide services that, taken as a whole, are at least comparable to services in schools that are not receiving Title I funds. Comparability may be determined on a school-by-school basis or by grade span. (20 USC 6321)

To demonstrate comparability of services among district schools the Superintendent or designee shall establish procedures which ensure that the district provides all district schools

with the same level of base funding, per student, for staff services, curriculum materials and instructional supplies.

At the beginning of each school year, the Superintendent or designee shall measure comparability in accordance with the above criteria and maintain records documenting the district's compliance. If any instances of non-comparability are identified, the Superintendent or designee shall promptly implement adjustments as needed to ensure comparability.

Program Evaluation

The Superintendent or designee shall use state assessment results and other available measures or indicators to annually determine whether each participating school is making adequate yearly progress toward ensuring that all students meet the state's proficient level of achievement on state assessments. (20 USC 6316)
