This report was compiled from the California Assessment of Student Performance and Progress (CAASPP) information provided to the testing contractor by the local educational agency (LEA) for the Smarter Balanced Summative Assessments, the California Alternate Assessments (CAAs), the California Standards Tests (CSTs), the California Modified Assessment (CMA), the California Alternate Performance Assessment (CAPA), and the Standards-based Tests in Spanish (STS). The number of pupils tested with a CDE-certified grade two diagnostic assessment per California *Education Code* Section 60644 reflects the number reported by the LEA to the CDE by the CDE-specified deadline. The LEA CAASPP Coordinator must certify the accuracy of the report by signing the report and transmitting the report to the Assessment Development and Administration Division Fiscal Support Office by e-mail at [ADADFiscalSupport@cde.ca.gov](mailto:ADADFiscalSupport@cde.ca.gov), by fax at 916-319-0969, or by U.S. mail to the address noted above by **March 1, 2017**. Signed reports should be kept on file at the LEA for approximately one year. Certified reports postmarked after March 1, 2017, will not be processed for payment without a waiver request approved by the State Board of Education.
