At least once each year, food service administrators, other appropriate personnel who conduct or oversee administrative procedures, and other food service personnel shall receive training provided by the California Department of Education (CDE). (42 USC 1776)

Meal Sales

Meals may be sold to students, district employees, Board members, and employees or members of the fund or association maintaining the cafeteria. (Education Code 38082)

~~In addition, meals may be sold to other individuals and organizations who are on campus during meal times for a legitimate purpose, such as classroom volunteers, parents/guardians, or student siblings.~~

Any meals served to nonstudents shall not be subsidized by federal or state reimbursements, food service revenues, or U.S. Department of Agriculture (USDA) foods.

~~The Superintendent or designee shall recommend meal prices for students and nonstudents for approval by the Board. Students who are enrolled in the free or reduced-price meal programs shall receive meals free of charge or at a reduced price in accordance with law, Board policy, and administrative regulation.~~

Meal prices, as recommended by the Superintendent or designee and approved by the Board, shall be based on the costs of providing food services and consistent with Education Code 38084 and 42 USC 1760.

Students who are enrolled in the free or reduced-price meal program shall receive meals free of charge or at a reduced price in accordance with law, Board policy, and administrative regulation. Such students shall not be overtly identified or treated differently from other students.

The procedures adopted by the Superintendent or designee shall conform with 2 CFR 200.426 and any applicable CDE guidance, and shall not overtly identify students with unrecovered or delinquent debt or treat them differently than other students.

~~Program financial reports shall be presented regularly to the Board.~~

Cafeteria Fund

The Superintendent or designee shall establish a cafeteria fund independent of the district's general fund.

~~The wages, salaries, and benefits of food service employees shall be paid from the cafeteria fund. (Education Code 38103)~~

At any time, the Board may order reimbursement from the district's cafeteria fund for these payments in amounts prescribed by the Board and not exceeding the costs actually incurred. (Education Code 38103)

OPTION 2: The wages, salaries, and benefits of food service employees shall be paid from the cafeteria fund. (Education Code 38103)

The Superintendent or designee shall ensure that state and federal funds provided through school meal programs are allocated only for purposes related to the operation or improvement of food services and reasonable and necessary indirect program costs as allowed by law.

(42 USC 1760; 7 CFR 210.21)

A nondomestic food product may be purchased for use in the district's food service program only as a last resort when the product is not produced or manufactured in the United States in sufficient and reasonable quantities of a satisfactory quality, or when competitive bids reveal the costs of a United States product are significantly higher than the nondomestic product. In such cases, the Superintendent or designee shall retain documentation justifying the exception.

Program Monitoring and Evaluation

The Superintendent or designee shall present to the Board, at least annually, financial reports regarding revenues and expenditures related to the food service program.

The Superintendent or designee shall provide all necessary documentation required for the Administrative Review conducted by the CDE to ensure compliance of the district's food service program with federal requirements related to maintenance of the nonprofit school food service account, meal charges, paid lunch equity, revenue from nonprogram goods, indirect costs, and USDA foods.
