# Transportation Concerns

- Late Buses, many bus are late for pickup and drop off
- GPS App not yet installed
- Timely notification of transportation issues to parents and school sites

## Transportation Concerns (Continued)

- In 2016-17: Buses could not be provided for all Athletic events due to scheduling conflict, outside buses were paid by the District at a cost of \$600.00 per bus
- This year due to the start time for Middle School Athletics, similar conflicts will occur
- Schools (13) in the league were recently surveyed and only 3 schools provided bus service for Middle School Sports

# Next Steps...

- West County Transportation Agency will make a presentation to the Board at the meeting on September 13, 2017
