

Local Control Accountability Plan and Annual Update (LCAP Template)

LCAP Year 2017-18 2018-19 2019-20

Addendum: General instructions & regulatory requirements.

Appendix A: Priorities 5 and 6 Rate Calculations

Appendix B: Guiding Questions: Use as prompts (not limits)

[LCFF Evaluation Rubrics](#) [Note: this text will be hyperlinked to the LCFF Evaluation Rubric web page when it becomes available.] Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Santa Rosa High		
Contact Name and Title	Diann Kitamura,	Email and Phone	dkitamura@srcs.k12.ca.us, (707) 528-5181

2017-20 Plan Summary

THE STORY

Briefly describe the students and community and how the LEA serves them.

Santa Rosa City Schools district has a long, rich history serving students in Sonoma County, in the largest California city north of the Golden Gate Bridge. Our district was founded in 1858 with 50 students. Today, we welcome more than 16,000 students to our 26 schools. Our community is diverse. Students and families speak 52 languages, with the majority speaking English and/or Spanish. We have 3,500 English learners. We value diversity and have been recognized statewide for our Equity and Social Justice Initiative. That initiative has been embraced by our 1,600 teachers and staff, who have adopted the district's motto of "Every Student, Every Possibility, No Matter What." Learning begins with healthy students and families. We partner with community organizations to provide services that go beyond academics, such as parent education, health services, and counseling. Bilingual family engagement facilitators help our families make connections. Santa Rosa City Schools' campuses include 10 elementary schools, five middle schools, five high schools and one continuation high school. We also have five dependent charter schools, including French and Spanish immersion schools, a K-8 charter school for the arts, and a nationally recognized accelerated charter school. The mission of our schools is to provide active, involved learning to prepare each of our students for college and career. To that end, we have Career Technical Education programs, Magnet programs that partner with our local junior college and university, an award-winning high school arts program, and an International Baccalaureate Program. After 160 years, Santa Rosa City Schools continues to value its position in this community, entrusted with providing our next generation the tools they need to lead us into the future.

LCAP HIGHLIGHTS

Identify and briefly summarize the key features of this year's LCAP.

Goal 1: Provide a coherent, rigorous and relevant teaching and learning program to graduate college and career ready students.

The district supports high-quality classroom instruction and curriculum that promotes college and career readiness with academic interventions in place to eliminate barriers to student success.

Santa Rosa City Schools continues to support of Collaborative Curriculum Design (CCD) work in all core subject areas. The focus on the California ELD standards is enhanced in-classroom support through Teachers on Special Assignment (TOSA). Training for Next Generation Science Standards and C3 Framework for Social Studies State Standards also receives TOSA support in the classroom.

Santa Rosa City Schools continues to support a focus on STEM training through Maker projects in K-8 schools. SRCS continues to support a partnership with Michael Fullan with the focus on coherence, systems, and building capacity.

Goal 2: Increase student and family wellness and engagement through the full-service community school model.

The district ensures all schools have a safe, welcoming and inclusive climate for all students and families so that all students are in their classes and ready to learn.

The commitment to ensure that every student attends a school that is safe, clean and healthy can be seen in SRCS's work to improve the climate at our schools through the district's receipt of the School Climate Transformation Grant which focuses on BEST Plus (Positive Behavior Intervention and Strategies, Restorative Practices and behavioral health services).

Through restorative practices, centralizing attendance letters, the addition of the SOLL counselors, family engagement staff and student engagement activity workers we are seeing a positive impact on students and families. This is evidenced by reductions of suspensions and expulsions, increases in restorative interactions with students, increased contact with families regarding attendance, 25% of teachers attending the Museum of Tolerance training, the identification of nine BEST Plus schools and their training with an increased number of students receiving mental health services.

REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

English Learners:

Approximately 600 students, district-wide, have met the reclassification criteria this year. This is 200 more students than the totals for 2014-2015 and 2015-2016. This is in part due to the revised criteria, which now includes multiple measures for the basic skills section (i.e. Let's Go Learn (LGL), Developmental Reading Assessment (DRA), Smarter

GREATEST PROGRESS

Balanced Assessment of Consortium (SBAC)) as well as the support and intervention students are getting to develop their English language proficiency and academic skills. Further, much has been done to educate parents through English Language Advisory Councils (ELACs) and the District English Language Advisory Council (DELAC) meetings. Parents are informed of the benefits of being reclassified as Fluent English Proficient (R-FEP) and are highly encouraged to meet with teachers and the administration if their student is not making progress towards being reclassified.

The Family Engagement Facilitators (FEFs) have removed the language barriers that Spanish speaking families previously faced. Consequently, parents are more engaged and more aware of the offerings provided by the schools and the district. They are able to have meetings with monolingual (English-speaking) teachers and administrators to inquire about their students' challenges and successes, in order to work collaboratively to support improved outcomes for the students.

This year, as a result of the Federal Program Monitoring process, all special education staff was trained in how to support English Learners who have Individualized Education Plans (IEPs). The training addressed how to write linguistically appropriate learning goals for all content areas and also how to write English Language Development (ELD) goals. Further, all special education staff were informed that all English Learners must be provided access to the core content as well as both integrated and designated English Language Development (ELD).

Two of our most successful professional development ELA/ELD initiatives have been the Bay Area Writing Project (BAWP) and Collaborative Curriculum Design (CCD). Both initiatives are Common Core aligned and have been teacher-led and teacher inspired. Smarter Balanced Assessment Consortium (SBAC) scores were used as one measure to determine BAWP success. In 8th grade, 82% of EL students and 70% of English Only students who experienced BAWP increased their SBAC scores. Furthermore, 8th-grade students' SBAC scores who experienced BAWP were compared with 8th-grade students who did not experience BAWP and the differences were found to be statistically significant and large or very large. Interest in BAWP among teachers continues to grow to the extent that two cohorts were filled in 2017-18 and more teachers are asking to participate. Also, teacher-graduates of BAWP are clamoring for more BAWP professional development.

The Collaborative Curriculum Design work is large in scope and is in its beginning stages of implementation. One reason we expect our CCD Units of Study developed by teachers for teachers and students to have a positive impact on the skills and concepts students learn is because SRCS teachers know their students better than any publisher possibly could. Developing learner-centered units with appropriate differentiation and scaffolding strategies embedded within will support students as they acquire the 21st Century skills and mindset needed for College and Career success.

This year our teachers have participated in professional learning and meaningful collaboration through our work with Lucy Calkins' Units of Study in Writing. Their success has been demonstrated through a significant overall improvement in students' writing. When looking at the District benchmark assessments in writing, teachers report an increase in student fluency, volume, organization, and elaboration. Throughout the year, student and teacher achievement has steadily increased and is measured by the cultural shift in the classroom's academic environment.

As a district, we have taken great steps to ensure that our ELL students are reclassified in an efficient and timely manner with the help of our LCAP district Supporting Our

Language Learners (SOLL) counselors who focused efforts to help reclassify 595 ELL students to proficiency this year. This is a 210 jump from last year when only 385 of our ELL students were reclassified.

Secondary mathematics continues to develop district-wide and site level coherence. This has been supported by designing and piloting benchmark assessment tied to the Smarter Balance Assessment Consortium's claims. The creation of benchmark assessments has helped to develop more common student experiences and more common student expectations in courses. The focus has been to transition middle school courses to be fully aligned to the CCSS standards.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

GREATEST NEEDS

Schools need to ensure that all English Learners have access to their grade-level curricula and core content. The California School Dashboard shows all of our schools in the orange performance indicator for English Learner progress with one of our high schools in the red. EL students need to be provided an equal opportunity to participate in all programs, including Advanced Placement (AP), International Baccalaureate (IB) courses; clubs; and honor societies. We must ensure ELs are provided well-designed, comprehensive, and integrated ELD in all content areas in order to support their success. Further, we must also ensure that EL students are provided designated ELD, a protected time in the regular school day, where ideally students are grouped by their English language proficiency levels and teachers use the CA ELD Standards as the focal standards in ways that build into and from content instruction to develop critical language ELs need for content learning in English.

A challenge in secondary mathematics has been to support teachers' implementation of rigorous mathematics tasks to a wide variety of learners in all classes. Secondary mathematics will continue to development and grow SBAC aligned benchmark assessments and provide professional development opportunities that focus on the effective implementation of collaborative project based math tasks.

California School Dashboard data reflects suspension rates for all students (K-12) in the orange performance level. Santa Rosa City Schools will continue to make headway in this category with responses to instruction and intervention. This Multi-tiered System of Support (MTSS) with BEST Plus which is a hybrid of Positive Behavior Intervention Strategies, Restorative Practices, and behavioral health support will continue to move towards helping all of our schools implement the restorative model. .

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

There is no denying that there are performance gaps (as evidenced below) between our English Learners and the general Santa Rosa City Schools student population. We also

PERFORMANCE GAPS

recognize that much has changed in regards to the California Standards and that strong first instruction as well as integrated and designated ELD is critical to student achievement and school improvement. We understand the need for sound and systematic intervention programs for our English Learners and that a more robust monitoring system must be implemented in order to ensure students are making the necessary gains in language acquisition as well as academic achievement in content standards. Further, we fully understand that more must be done to engage parents as partners in this important work.

Santa Rosa City Schools is struggling to make gains with our English Learners as our progress was incremental on 2016 Smarter Balanced Performance Summary Data with ELA scores barely moving forward from the previous year by 4% in Reading, 3% in Writing, and 8% in Listening. They also showed very small growth with Math by a 5% gain in Concepts and Procedures, and only a 1% gain in Problem Solving and Modeling/Data. Our English Learners need to be making progress at a greater percentage rate to become grade level proficient and in order to leave high school college and career ready. As a district, Santa Rosa City Schools did not meet the 2016 target for Annual Measurable Achievement Objectives (AMAO) 1 since our target is 62% but only 55.9% of our ELs made annual progress in learning English.

Data from the CDE DataQuest website for all students affiliated with Santa Rosa City Schools shows the A-G completion rate with the following performance gaps:

Hispanic A-G Completion Rate..... District A-G	
2010-11 ~ 9.5%.....	2010-11 ~ 20.6%
2011-12 ~ 9.3%.....	2011-12 ~ 21.9%
2012-13 ~ 17%.....	2012-13 ~ 29.1%
2013-14 ~ 16.9%.....	2013-14 ~ 31%
2014-15 ~ 18.1%.....	2014-15 ~ 28.7%
2015-16 ~ 19.5%.....	2015-16 ~ 28.5%

INCREASED OR IMPROVED SERVICES

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

Based on staff and stakeholder feedback and research on effective practices we are implementing 15 Actions/Services in Goal 1 and 10 Actions/Services in Goal 2 to improve services for the Low Income, English Learner and Foster Youth, including using a portion of the LCFF Supplemental dollars for site allocations based on the number of unduplicated youth served to allow sites to implement site specific solutions based on unique site needs and site stakeholder input. Three significant actions to improve services are:

H109: Implement an English Learner Master Plan to guide the instructional program to ensure EL students are progressing and reclassification rates are increasing while reducing Long Term English Learner rates. Provide support services for Long Term English Learners and Migrant students to accelerate their ELA and math proficiency.

H201: Increase targeted engagement and communication with parents of UPC students to provide greater access and build partnerships with school, community-based organization and local businesses.

H207: Ensure all foster youth, English Learners, and low-income students have individual learning plans to support school connectedness and academic achievement. Provide 5 LCAP bilingual school counselors (SOLL) to provide case management to foster youth and English Learners.

BUDGET SUMMARY

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures for LCAP Year	\$ 120,767,346.00
Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for LCAP Year	\$ 8,801,491.00

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

The Santa Rosa community approved two Prop 39 General Obligation Bonds for Santa Rosa City Schools: Measure I funds are for the Santa Rosa High School District.

Santa Rosa City Schools Bond Program is committed to:

- *Providing a Safe and Modern Learning Environment
- *Current and Reliable Technology and Labs
- *School Repair Measures to Support Student Success

The Santa Rosa City Schools High School District plans to spend an additional \$111,965,855 in addition to the expenditures shown here in the LCAP document. These additional expenditures are for our basic services, special education programs and additional instructional programs such as our Federal No Child Left Behind services. Of this \$111,965,855, 75% is for employee salaries and benefits, 5% is for materials and supplies and 20% is for contracted services.

\$ 96,458,589.00

PLANNED Recruit, retain, and train high quality classified staff, teachers, administrators and provide a competitive salary and health benefits for classified staff, teachers and administrators.	ACTUAL SRCS recruited much earlier and participated in numerous job fairs and met with more university teacher preparation programs. Hard to fill positions were filled this year. Retention rates are not currently measured.
BUDGETED Year 1 Develop a plan to provide incentives for hard to fill positions with critical qualifications. No cost. Year 2-3 Continues district-wide.	ESTIMATED ACTUAL Base - \$0.00

Action

4

Funding Sources: Other - \$1.00

Actions/Services

PLANNED

Monitor, refine, adjust and create lessons and projects aligned to the District showcase, and the ways in which students have access to other college and career events.

Provide and improve college and career readiness programs and services for all students, give all 10th grade students access to a common Pre-College Entrance Exam (PCEE), and provide access to a common college entrance exam for targeted 11th grade students.

ACTUAL

After receiving input from various stakeholders on the College and Career Day, district staff restructured the event to provide a Career Day at each middle school for 8th-grade students (75 businesses & community organizations participated) and support for high school students and families to attend the North Bay College Fair at Sonoma State University.

For the past two years, the PSAT has been administered to all 10th-grade students and interested 11th-grade students during the school day. In October 2016, 1561 out of 1913 10th graders (82%) and 496 out of 1770 11th graders (28%) took the PSAT. The College Board reported that 44% of the 10th graders and 65% of the 11th graders taking the PSAT were on track for College and Career Readiness. Tenth graders improved their readiness by 2% and 11th graders improved by 1%. After careful consideration and feedback from Academic Counselors, College and Career Counselors, and the High School Vice Principals, a decision was made to move to the PreACT for all 10th graders. The district will continue to support targeted 11th graders on the PSAT if they choose to take it.

BUDGETED

Funding Sources: LCFF Base (0000) - \$5,000.00

Funding Sources: LCFF Supplemental (0000) - \$108,005.00

ESTIMATED ACTUAL

LCFF Base - \$0.00

LCFF Supplemental - Salaries, Supplies, Contracted Services - \$24,201.00

Expenditures

PLANNED

Create and implement California Standards and Next Generation Science Standards based curriculum for all students that include assessments, an online repository for the curriculum and resources; and provide up to 7.1 TOSA's to support colleagues in implementing the CCSS, ELD, and NGSS.

A committee, which includes all stakeholders, will convene to explore an ethnic studies course. Teachers will then be provided collaboration opportunities to support job embedded professional development in teaching the new curriculum that ensures cultural proficiency, culturally relevant themes, and concepts and practices that are embedded in the curriculum.

Continue to train teachers, administrators, classified staff and affiliated community partners in cultural proficiency, unconscious bias, and restorative practices.

ACTUAL

Secondary teachers in ELA and Social Studies began the process of creating strong integrated common core aligned Units of Study. TOSA's played an important role in the development and implementation of CCD.

Math department chairs agreed to a common sequence, at the semester level, for courses Math 7 - Geometry. For Algebra 2 math chairs agreed to determine focal tasks that will be implemented

district-wide to help with the transition to the new standards.

Department chairs have also agreed to use College Preparatory Mathematics (CPM) to support the shift to the new standards

The District continued to provide professional development on cultural proficiency, unconscious bias, and culturally relevant practices. Some specifics: Over 600 members have attended the two-day Museum of Tolerance for Educators Professional Development training. This professional development included exploration of exhibitions at the Museum of Tolerance related to the Holocaust, oppression, genocide, bias, Immigration and Civil Rights. The two days also provided an exploration of data regarding Santa Rosa City Schools' students both served and underserved.

In partnership with CTA's Office of Civil Rights and the Santa Rosa Teachers Association, Santa Rosa City Schools offered seven, two-day Unconscious Bias training for staff. Over 250 SRCS staff have participated in these workshops.

Expenditures

	Other related activities: * Continued Development of an Ethnic Studies Exploration Committee
BUDGETED Funding Sources: LCFF Supplemental/Concentration (0000) - \$1,559,286.00 Funding Sources: Title II Teacher Quality (4035) - \$36,520.00	ESTIMATED ACTUAL LCFF Supplemental - \$1,396,119.00 Title II Teacher Quality - \$0.00

ESTIMATED ACTUAL

LCFF Supplemental - \$0.00

Action

10

Actions/Services

PLANNED

Continue to develop an English Learner Master Plan to guide the instructional program to ensure EL students are progressing and reclassification rates are increasing, while reducing Long Term English Learner rates. Provide support services for Long Term English Learners and migrant students to accelerate their ELA and math proficiency.

ACTUAL

Board Policy and Administrative Regulation 6174 were approved by the Board of Education. A new system of reclassification of English Learners was approved. The EL Master Plan was completed in Spring 2017.

The Bay Area Writing Project, Step up to Writing, and the AAELL program from Sonoma State University was the primary focus for improving EL instruction. In addition, CCD focused on EL instruction as well. All CPM training incorporated, as part of the instructional strategy, having students explain their mathematical thinking in student small groups.

Expenditures

BUDGETED

Funding Sources: LCFF Supplemental (0000) - \$73,518.00

Funding Sources: Title III LEP (4203) - \$31,509.00

<p>PLANNED</p> <p>Provide increased academic counseling support services and additional college and career counseling support to students and families.</p> <p>Maintain 5 College and Career Centers at each High School, LCAP counselor, and training</p>	<p>ACTUAL</p> <p>Five College and Career Centers (CCCs) are located at each of the comprehensive high schools. Each center was staffed with a full-time LCAP College and Career Counselor. A part-time College and Career Counselor provided additional college and career services to students and families at the district's continuation high school.</p> <p>A coach was hired to support the College and Career Counselors with developing a systematic approach for services provided to students and families. Through this support, the team developed a College and Career Readiness Action Plan for the CCC, increased involvement and communication with site representatives, identified and implemented tools to collect data, and developed a district-wide Senior Survey.</p> <p>A College and Career Center Implementation Team continued to convene to provide input and guidance surrounding the types of services offered, potential partnerships, and resources for each of the centers.</p> <p>All 7-12 grade students were provided with an online Naviance account. The College and Career Counselors</p>
---	--

Actions/Services

developed a Naviance scope and sequence for grades 7-12 and have been supporting Naviance implementation through the CCCs and at the feeder middle schools.

In partnership with Social Advocates for Youth (SAY), the District expanded Work-based Learning (WBL) services, provided in each high school. The WBL Coordinators worked in tandem with the College and Career Counselors to provide WBL opportunities for all students. As of March 2017, total high school student engagement was 4,039 students. Additionally, WBL Coordinators supported a Career Day at each middle school.

In partnership with 10,000 Degrees, the District held a Financial Aid Campaign Week at each high school. The campaign focused on increasing financial aid awareness and providing support to students and families with completing the Free Application for Federal Student Aid (FAFSA) or the CA Dream Act. For the district, FAFSA Completion rate was 43% and FAFSA and CA Dream Act Completion rate was 53%. All high schools increased FAFSA completion from 7-19%, with an overall increase of 9% for the District. CA Dream Act Completion rate will be used in 2017-18 as a baseline. On average, targeted students who engaged in a hands-on workshop or received one-on-one support during the campaign week completed an FAFSA/CA Dream Act application at a 24% higher rate than those students who did not engage in one of those activities.

Students, parents and community-based organizations have been pleased with the CCCs and continue to support them as volunteers and with resources.

Action

15

Actions/Services

PLANNED

Decentralized funding for school sites to implement services to FY, LI, EL and Special Education students and families as described in their school site plans (SPSA). Each school SPSA is aligned to the LCAP goals with strategic focus on the sites specific needs. Progress monitoring of the SPSA goals will occur throughout the year.

ACTUAL

Sites received \$1.7 million allocated based on unduplicated student counts to implement their LCAP aligned SPSA. Extensive training and coaching were provided to each site's leadership teams to facilitate a strategic focus on goals and actions that would move the sites forward in providing best first instruction and support services. Each site leadership team provided a progress report two times during the year with an analysis of the progress using a qualitative and quantitative date. All sites showed growth as evidenced their data. There is still work to be done but sites are definitely seeing positive change.

Expenditures

Expenditures

	Efficiency took place on Aug 11 and 12, 2016 and March 17, 2017.
BUDGETED	ESTIMATED ACTUAL
Funding Sources: LCFF Supplemental (0000) - \$30,007.00	LCFF Supplemental - \$6,046.00
Funding Sources: Title II Teacher Quality (4035) - \$10,000.00	Title II Teacher Quality - \$0.00

ANALYSIS

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The district implemented all actions and services as planned. By continuing and increasing services to our English Learners, foster youth, and low income students we were able to pinpoint specific needs in order to ensure that these students were college and career ready. Specifically, the focus on our English Language Learners and a close look at our reclassifications this year helped us to develop and implement systems in place to ensure they are correctly placed academically. Implementing collaboration and PD throughout the disciplines continues to directly affect student outcomes as the work on their desk begins to change and reflect a more sequenced problem and solution based format.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The district has made great strides in collecting and using the data available to assist in assessing the success of the actions of the SPSA and LCAP. Those actions to increase student proficiency for ELA and Math were measured by the reduction of D's and F grades, CELDT data, reclassification data, results on the PSAT, increase in the access to a-g courses, increase in CTE completers, teacher participation in department chair and subject meetings to identify priority standards and create curriculum. For this year, the actions of the LCAP have achieved the desired metric results.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Action #4: The College & Career day did not occur, therefore leaving savings of \$83,804 in certificated and classified extra duty pay, and materials and supplies.

Action #5: We did not offer some of the proposed professional development to offset our structural deficit. Therefore some contractual expenses were less, as were the substitute and extended day costs. Title II funds were not utilized for this action.

Action #6: Not all sites participated, leaving additional resources.

Action #9: Secondary did not participate in the creation of the APS plan for 2016-17.

Action #15: Not all schools utilized the dollar amounts allocated to sites through their UPC numbers.

Action #16: Only a few professional development opportunities were offered to classified staff.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

In 2016/2017, the PreACT was given to all 10th-grade students during the SBAC testing window.

Annual Update

4

<p>PLANNED</p> <p>A Support, coordination and programs for Full Service Community Schools to include increased bilingual staff, creating a welcoming school environment, and facilitating parent access. Implement parent education and leadership programs. Increase student engagement, wellness and achievement.10.5 Family Engagement Facilitators and training. Provide academic and engagement support services through researched based best practices (i.e.: AVID, Link Crew, Safe School Ambassadors, Restorative practices, BEST, Peer Leaders, Freshmen Transitions, Early College Magnet).</p>	<p>ACTUAL</p> <p>Family Engagement Facilitators (FEF) have provided a tremendous connection to parents and families at each of the school sites. Schools with significant unduplicated pupil counts have at least a full-time FEF while other may share an FEF. All Family Engagement Facilitators were trained in the development of family centers at the site and how to engage parents in the school using Dr. Joyce Epstein's Six Types of Parent Involvement and PTA National Standards for School Family Partnerships.</p>
---	--

Actions/Services

Provide alternative educational opportunities such Bridge Academy for tier 2 and 3 struggling students (5 teachers and 5 instructional assistants).

Family Engagement Facilitators (FEF) attended monthly meetings. They have also participated in the following training/workshops:

September 14, 2016 - Truancy Intervention Prevention Committee Meeting

January 13, 2017 - English Learner Leadership Institute

February 3, 2017 - English Learner Parent Leadership Institute

School Family Partnerships. They were also trained on Restorative practices as well as being members of the BEST Plus teams at the sites. Two counselors who were hired are bilingual.

Data on parent involvement:

Phase One of the district-wide LCAP survey showed 1,411 participants shared 5,717 thoughts regarding input for Goal One and Two of the LCAP. Phase two of the survey went back out to all stakeholders (parents, faculty, and staff) and had responses from 1,999 participants who assigned 154,726 stars to prioritize the importance of the thoughts that were shared initially. Out of the participants, 1,378 self-identified as "parent/guardian." We had a 345% increase from 2015-2016 with only 457 responses compared to our 1,999 responses in 2016-2017.

*104 meetings had 961 attendees

* 78 ELAC/DELAC meetings had 877 attendees

		Alternative Opportunites for the Middle School Bridge Academy included art and culinary electives as well as team building activities to support emotional health and well being.

Expenditures

ANALYSIS

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to

Actions and services for the goal were implemented as planned. Ensuring that every student attends a school that is safe, clean and healthy is a top priority for Santa Rosa City Schools.

achieve the articulated goal.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

The implementation of restorative practices, centralizing attendance letters, the addition of the family engagement staff, restorative specialists, mental health services, professional training for classified and certificated staff in Trauma Informed Care, circle community building, restorative practices, well-being and positive behavior interventions have all had a positive impact on students and families as evidenced by the reduction of suspensions and expulsions.

Action #1: Not all teachers participated in professional development opportunity.
Action #3: With rollover to new Student Information System, we did not provide as many opportunities. No Title II funding was utilized in this action.
Action #6: Fewer translation services were needed.
Action #7: No Title II funds were utilized in this action.

H 230 was added to decentralize funding for school sites to implement service to FY, LI, EL and Special Education students. The funds allocated are based on the Unduplicated Student Count, see Appendices A.

2019-20

INVOLVEMENT PROCESS FOR LCAP AND ANNUAL UPDATE

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

After gathering feedback about the stakeholder engagement process, it was determined that more feedback from more stakeholders would occur if it took place at the school sites and through district meetings. A protocol for all site principals was developed to assist in monitoring the progress of the LCAP actions through the alignment to the Single Plan for Student Achievement (SPSA). This alignment created a strategic focus for each of the sites to monitor progress and have site level conversation with all members of their school community about the how the services being provided were achieving the intended outcomes of the LCAP/SPSA. The various stakeholder meetings had in attendance Board of Trustees members, DAC representatives, certificated and classified leadership group members, administrators, community members, and students. Principals from our 26 schools came together two times during the year to share and collaborate in an inquiry seminar format, separated into elementary, middle and high school groups and also feeder patterns. They shared and received feedback on their identified foci, the intended outcomes, the metrics used to measure (both quantitative and qualitative) the feedback from stakeholders, and finally their discovery based on the results, the process itself, and the feedback. The process has provided more stakeholders a rich and meaningful way in which to engage in the LCAP/SPSA as well as provide relevant feedback for the individual school communities that make up SRCS. The other forms of outreach communication consisted of using the phone, email, web, radio, newspaper, Twitter, etc. to inform the public, collect input and determine any modification needed to the LCAP. SRCS hosted three Stakeholder's Unity Meeting (SUN) for the community at large. The collection of input was comprised of online surveys, community meeting, student surveys, parent groups' surveys and staff surveys. Stakeholder surveys this year included the Thought Exchange process which went out in three phases. The first phase was held from March 15-29 in which 5,717 written "thoughts" were collected from parents, site and district staff, and students (from the secondary level) as well as community members at large. The second phase took place from April 4-18 wherein these thoughts were aggregated into themes and sent out to our stakeholders again for them to "star" or prioritize what they felt was most important. The third phase to occur was released on May 4th when the actual survey results were reported based on the data collected during phase one and two.

The SRCS Strategic Planning process has also gathered a great deal of information from students, families, and community members and has been incorporated into the LCFF required Local Control Accountability Plan (LCAP).

The draft LCAP was posted on Friday, May 10-June 12 for public comment. Stakeholders were informed of the public comment window through SRCS website, a flyer and an automated phone message in both Spanish and English. Stakeholders were invited to visit schools and review a paper copy of the draft LCAP or SRCS website. DELAC and DAC reviewed and provided feedback to the LCAP draft on Thursday, May 18, 2017.

The Superintendent received no questions and comments during the public viewing of this draft LCAP. A community report was developed to provide

information about the LCAP. The community report was posted on the website and at each school and is also translated into Spanish. The public hearing for both the LCAP and the Budget was conducted on Wednesday, June 14, 2017.

The LCAP and budget was approved on Wednesday, June 28, 2017.

Principals were asked to meet with various stakeholder groups: SSC, ELAC, Boosters, if applicable, and students.

Board of Trustees - LCAP Updates: (Oct 12, 2016, Feb 8, 2017, May 10, 2017, May 24, 2017, June 14, 2017, June 28, 2017)

Meetings were advertised through mailers sent home, flyers at school sites, district website and an automated phone message to all homes in both Spanish and English. All meetings offered childcare; bilingual English and Spanish presentations and oral interpretation.

Union consultation took place on March 6, 2017, April 17, 2017, May 1, 2017 and May 15, 2017, with certificated and classified units.

Where applicable, agendas and other materials were provided for all meetings in both Spanish and English, and opportunities to ask questions and engage in discussion regarding the new law and funding formula was provided. Students provided input at their local school sites and through Student Voice Collaborative.

IMPACT ON LCAP AND ANNUAL UPDATE

How did these consultations impact the LCAP for the upcoming year?

As a result of the feedback from the various stakeholder groups.

- Continue to train on and implement the California Standards, the Next Generation Science Standards, and the newly adopted English Language Development standards.
- Increased depth in the implementation of Family Engagement in the form of training for parents to become leaders in the advocacy of children and the services to provide.
- Develop protocols and surveys that are user-friendly and that will identify stakeholder type and be relevant to the particular group.
- LCAP outreach will take place in the community rather than at the district office.
- Provide metric outcomes throughout the school year.
- Create more effective ways to educate parents and students about their role with the LCFF and LCAP.

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

	New	Modified	Unchanged								
<u>Goal 1</u>	Provide a coherent, rigorous and relevant teaching and learning program to graduate college and career ready students.										
<u>State and/or Local Priorities Addressed by this goal:</u>	STATE	1	2	3	4	5	6	7	8		
	COE	9	10								
	LOCAL										
<u>Identified Need</u>	To support high quality classroom instruction and curriculum that promote college and career readiness with academic interventions in place to eliminate barriers to student success. - Grade level proficiency in literacy and math - College and career counseling and meaningful courses that connect to life goals - Caring, committed, collaborative exemplary teachers who use diverse teaching strategies and have a continuous improvement mind-set

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year	2017-18	2018-19	2019-20
<u>Estimated Supplemental and Concentration Grant Funds:</u>	\$ 8,115,055.00		<u>Percentage to Increase or Improve Services:</u> 9.33 %

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

The services described in this plan are intended to increase and improve services to English Learners (EL), Low Income (LI) Pupils, Foster Youth (FY) and students with disabilities. The services described in this plan are intended to increase and improve services to English Learners (EL), Redesignated Fluent English Proficient (RFEP), Low Income (LI) Pupils, Foster Youth (FY) and students with disabilities by a minimum of 9.70% in the 2017-18 school year as compared to services provided to all students. The proportionality percentage was met by increasing the amount spent on 100% of Supplemental funds to provide increased or improved services for these pupils. This exceeds the 9.0% minimum proportionality percentage. We will be offering increased services for our English Learners, RFEP, Low Income, Pupils, Foster Youth and students with disabilities in the following manners:

1. Adding additional days of instruction through the Make Opportunities Via Education (M.O.V.E.).
2. Continuing full-time bilingual outreach positions which will supplement the services previously provided.
3. Continuing Restorative Response Specialist positions to serve students and families in the 2nd and 3rd level of a multi-tiered intervention and support system.
4. Extra sections of student support services in the secondary master schedules.
5. 5 SOLL (Supporting Our Language Learners) counselors to provide case management to targeted EL students in MTSS Tier 2 and 3
6. 5 College and Career counselors to organize and provide services to students and are their families in accessing college and career information and practices.
7. Up to 10 Teachers on Special Assignment to curriculum, instruction, assessment, and intervention to meet the needs of targeted students through support and training of classroom teachers to implement the California Standards and NGSS standards.

The addition of these services for our EL, RFEP, LI, FY students and students with disabilities will be delivered through a Multi-Tiered System of Support (Response to Intervention & Instruction) which is a comprehensive system of differentiated supports that includes evidence-based instruction, universal screening, progress monitoring, formative assessments, research-based interventions matched to students needs, and educational decision-making using student outcome data.

The increased instructional time, professional development, additional staff and sections in the master schedule for student support exceeds the 9.70% required minimum proportionality percentage by providing increased and improved services for our identified unduplicated (EL, FY, LI, RFEP) students as compared to the services provided to all pupils in the LCAP in the year 2017-18. The cost of these services are equal or exceeds the number of supplemental grant funds received.
