PROVISIONAL INTERNSHIP PERMIT

The Provisional Internship Permit (PIP) was created in response to the phasing out of emergency permits and became effective on July 1, 2005. It allows an employing agency to fill an immediate staffing need by hiring an individual who has not yet met the subject matter competence requirement needed to enter an intern program. Prior to requesting a PIP, the employing agency must verify that a diligent search has been made, and a fully-credentialed teacher cannot be found.

In addition, individuals who previously passed subject matter exams in an area other than an NCLB core academic subject area may now find they are unable to enter an intern program to obtain the preliminary education specialist credential. Persons in this circumstance may also be issued the PIP to allow time for them to complete subject matter in an NCLB core academic subject area.

The PIP is only available at the request of an employing agency. Individuals may not apply directly to the Commission for this document. Holders of the PIP are restricted to service with the employing agency requesting the permit. An employing agency is defined as a California public school district, county office of education, nonpublic, nonsectarian school and agency as defined in Education Code sections 56365 and 56366, charter school, or statewide agency.

The PIP is available in the areas of Multiple Subject, Single Subject, and Education Specialist. Individuals who were issued four or fewer emergency permits may be issued one PIP as long as the employer requirements have been met. Individuals who were issued five emergency permits do not qualify for the PIP.

Requirements for Issuance

1. Possession of a baccalaureate degree or higher from a regionally-accredited college or university
2. Satisfy the basic skills requirement. See Commission leaflet CL-667, entitled *Basic Skills Requirement* for additional information.
3. Successful completion of course work for the permit type requested, as specified below:

Single Subject: A degree major in the subject area or at least 18 semester units, or 9 upper division semester units, of course work in the subject to be listed on the permit.*

For a permit in one of the science subjects, at least nine semester units must be in the specific science area. For a permit in Foundational-Level General Science, an individual has two options. First is to verify a bachelor's or higher degree in science. This includes biological science, chemistry, geoscience, physics, and science areas that fall within these broad categories such as anatomy, earth science, and oceanography. This does not include a degree in health science. Second is to verify 18 semester units (or nine upper division semester units) across the four science areas of biological science, chemistry, geosciences, and physics. A minimum of one course in each of the four areas is required.

The statutory subjects available for Single Subject Provisional Internship Permit are as follows:

Agriculture	Physical Education
Art	Science: Biological Sciences
Business	Science: Chemistry
English	Science: Geosciences
Foundational-Level General Science	Science: Physics
Foundational-Level Mathematics	Social Science
Health Science	World Language: English Language
Home Economics	Development
Industrial and Technology Education	World Languages-Languages other
Mathematics	than English (<u>specify</u>)
Music	

Multiple Subject: A degree major in liberal studies or 40 semester units including 10 semester units of course work in each of at least four of the following subject areas or at least 10 semester units of course work in each of three of the subject areas and an additional 10 semester units in a combination of two of the remaining subject areas.* Subject areas include language studies, history, literature, humanities, mathematics, the arts, science, physical education, social science, and human development.

Education Specialist: Complete the requirements for the Single Subject or Multiple Subject as listed above, or verify a minimum of three years of successful full-time classroom experience, or the equivalent in part-time experience, working with special education students (experience as an aide is acceptable) or verify a minimum of nine semester units of course work in special education or in a combination of special education and general education.*

Areas of specialization for the Education Specialist PIP include:

Mild/Moderate Disabilities	Deaf and Hard of Hearing
Moderate/Severe Disabilities	Physical and Health Impairments
Visual Impairments	Language and Academic Development

The PIP may not be issued in the specialty area of Early Childhood Special Education alone as subject matter competence is not required for the issuance of a credential.

All course work must meet the following criteria:

- Must be completed at a regionally-accredited college or university
- Must be baccalaureate degree-applicable (non-remedial)
- Must be earned with a "C" grade or higher ("Pass" and "Credit" grades meet this requirement)

* *Individuals who were previously issued an emergency permit in the same subject area of the requested PIP will not be required to submit verification of this requirement. If the subject matter requirement for the emergency permit was met by passage of all appropriate subject matter examinations, the individual will not qualify for the PIP.*

4. The employing agency must verify all of the following on the form entitled *Verification of Requirements for the Provisional Internship Permit* (form CL-857) with each request for the Provisional Internship Permit:
 - A diligent search has been conducted for a suitable credentialed teacher or suitable qualified intern teacher. Diligent search must include, but is not limited to, distributing job

announcements, contacting college and university placement centers, and advertising in print or electronic media. Copies of all recruitment efforts must be submitted with the application packet.

- The employer has provided orientation, guidance and assistance to the permit holder
- The employing agency will assist the permit holder in developing a personalized plan through an agency-defined assessment that would lead to meeting subject matter competence related to the permit
- The employing agency will assist the permit holder to seek and enroll in subject matter training, such as workshops or seminars and site-based courses along with training in test-taking strategies and will assist the permit holder in meeting subject matter competence related to the permit
- The candidate has been apprised of steps to earn a credential and enroll in an intern program
- The employing agency will ensure a notice of intent to employ the applicant in the identified position has been made

Public school districts must present this notice to the governing board in a public meeting with a signed statement from the superintendent, or his or her designee, and verification that the item was acted upon favorably. **This must be an action item on the agenda and not part of the consent agenda.** A copy of the agenda item must be submitted with the application packet.

County offices of education, nonpublic, nonsectarian schools and agencies as defined in Education Code sections 56365 and 56366, statewide agencies, and charter schools must submit a copy of the dated public notice that was posted 72 hours prior to the position being filled.

5. Completed application (form 41-4), processing fee, and if not previously submitted, a completed Live Scan receipt (form 41-LS)

One-Time Renewal

For a PIP initially issued before October 1, 2013, the employing agency may request a one-time only renewal if the holder has taken but not passed all the subject matter examinations appropriate to the credential that authorizes the service listed on the permit.* The holder of an Education Specialist PIP must take all appropriate subject matter examinations as determined by the recommending college or university. The renewal packet should include an application (form 41-4), a new Verification of Requirements for the Provisional Internship Permit (form CL-857) including all appropriate documentation, and current processing fee.

- *If the holder has passed all appropriate subject matter exams, he or she should contact a California college or university or school district with a Commission-approved intern program regarding enrollment.*

- * The last date to submit an application for the Provisional Internship Permit in one of the Specialized Science content areas was January 1, 2015. The Provisional Internship Permit (only those initially issued prior to October 1, 2013) can no longer be reissued in one of these content areas.

Individuals may have been issued one Education Specialist PIP and during its term passed subject matter exams in an area other than an NCLB core academic subject area. As a temporary policy, the Commission allowed these persons to renew the Education Specialist PIP for another year to allow time to complete

subject matter in an NCLB core academic subject area. This policy ended July 1, 2012. NCLB core academic single subject areas include:

- ❖ Art
- ❖ English
- ❖ Foreign Language
- ❖ Mathematics, including Foundational-Level Mathematics
- ❖ Music
- ❖ Science, including Foundational-Level General Science and Specialized Science
- ❖ Social Science

In addition, the elementary level is an NCLB Core Academic Subject Area which may be demonstrated in California by passing the appropriate Commission-approved examinations for the Multiple Subject Credential.

Authorization

The Multiple Subject PIP authorizes the holder to teach in a self-contained classroom such as the classrooms in most elementary schools. However, a teacher authorized for multiple subject instruction may be assigned to teach in any self-contained classroom (preschool, K-12, or in classes organized primarily for adults). In addition, the holder of a Multiple Subject PIP may serve in a core or team teaching setting.*

The Single Subject PIP authorizes the holder to teach the specific subject(s) named on the credential in departmentalized classes such as those in most middle schools and high schools. However, a teacher authorized for single subject instruction may be assigned to teach any subject in his or her authorized fields at any grade level (preschool, grades K-12, or in classes organized primarily for adults).*

The Education Specialist PIP authorizes the holder to teach in the area of specialization listed on the credential in the following settings: special day classes, special schools, home/hospital settings, correctional facilities, nonpublic, nonsectarian schools and agencies as defined in Education Code sections 56365 and 56366, and resource rooms.*

* *All PIPs are issued with an English learner authorization. This authorization allows the holder to teach English language development (also known as English as a Second Language or ESL) and specially designed academic instruction delivered in English (SDAIE) in the specified grade level(s) and settings.*

Bilingual Authorizations

Bilingual Authorizations may be requested by the employing agency and added directly to a PIP document if target-language proficiency has been verified. Additional information may be found in Coded Correspondence 10-07.

Individuals may verify target-language proficiency by one of the following methods:

- Pass Test II or III (depending on the specific language) of the CSET: World Languages Examinations in the target language. Passing exam scores are valid for five years from the individual test date.
- If Test II or III of the CSET: World Languages Examination is not available, pass an assessment performed by an approved organization covering the integrated communication skills of listening, speaking, reading and writing in the target language

- Pass an assessment covering the integrated communication skills of listening, speaking, reading and writing administered by a California college or university as a part of its Commission-approved bilingual authorization program in the target language
- Possess a valid, non-emergency California Single Subject or Standard Secondary Teaching Credential with a major in the target language
- Possess a three-year or higher degree from a foreign institution in which all instruction was delivered in the target language. The foreign institution must be equivalent in status to a regionally-accredited institution of higher education in the United States.

Period of Validity

The PIP will be issued for one year.

5. CHILD ABUSE AND NEGLECT MANDATED REPORTING

As a document holder authorized to work with children, it is part of my professional and ethical duty to report every instance of child abuse or neglect known or suspected to have occurred to a child with whom I have professional contact.

I understand that I must report immediately, or as soon as practicably possible, by telephone to a law enforcement agency or a child protective agency, and will send a written report and any evidence relating to the incident within 36 hours of becoming aware of the abuse or neglect of the child.

I understand that reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person is not a substitute for making a mandated report to a law enforcement agency or a child protective agency.

I understand that the reporting duties are individual and no supervisor or administrator may impede or inhibit my reporting duties.

I understand that once I submit a report, I am not required to disclose my identity to my employer.

I understand that my failure to report an instance of suspected child abuse or neglect as required by the Child Abuse and Neglect Reporting Act under Section 11166 of the Penal Code is a misdemeanor punishable by up to six months in jail or by a fine of one thousand dollars (\$1,000), or by both that imprisonment and fine.

I acknowledge and certify that as a document holder, I will fulfill all the duties required of a mandated reporter.

☒ I agree

Hello everyone,

I hope you are as excited about the SSU Educator Job Fair as I am! I am sending a follow up to what was mailed to you a couple of weeks ago with your parking permit.

In the letter I sent you previously, I provided information about the pending California Faculty Association strike across all CSU campuses, and how it could affect you arriving on campus. As of last Friday, the CFA & CSU reached an agreement and there will be no strike on any campus. The dashboard sign I sent you was to inform the CFA of why you are on campus; those are no longer necessary to use.

Employer registration will be 11:30am- 1:00pm in the student Center Ballroom. The job fair will open to job seekers at 1pm. We will be providing snacks, but if you would like to purchase more snacks or lunch, you can do that on the 1st floor of the student center ballroom: http://www.sonoma.edu/culinaryservices/dining_on_campus/index.html

Lastly, I am attaching a floorplan of the Educator Job Fair. We will have plenty of copies for you on Friday, so no need to print this out ahead of time. Friday we will provide you wifi login info, nametags, and a print out of all the registered job seekers with contact information.

If you have any questions (even on the day of), please email me. I will be checking my email throughout the day while setting up for the job fair. Thanks again for your participation and I very much look forward to seeing you all this Friday.

Hello employers,

Thank you for registering for the Sonoma State University Educator Job Fair on April 15. We are excited to have you represented at our 4th annual fair.

As a part of our marketing & promotion for this years event, we are looking to highlight employers and the types/numbers of positions you are looking to fill. I am asking your help to gather this information so I can share with candidates in the coming weeks. All of this will be done on twitter, with possible crossover to our other networks (facebook, Instagram, linkedin).

To be a highlighted employer, please do the following:

1. Follow us on twitter <https://twitter.com/educationSSU> and/or send me your organizations twitter handle. This will help me connect to you and give me the ability to tag you when sharing highlights.
2. Send me information about what types of jobs you are looking to fill (ex: We are seeking a 4th grade teacher; We are hiring a new vice principal; We anticipate 2 preschool teacher openings this summer, etc.)

Thanks for your assistance on this, and I hope we are able to connect with many of you! If you have any questions about this, or the fair in general, please feel free to contact me.

Subject: March 12 Job Fair

I am really excited to see your district will be participating in the upcoming County Job Fair on Saturday, March 12, 2016 from 10:00 a.m. to 2:00 p.m.

I wanted to take this opportunity to share some details with you. SCOE will be open that morning at 8:30 a.m. for set up. Your District will be issued a table with 4 chairs. If your district requested a conference room for interviews, your room assignment will be given to you that morning.

I recommend you bring your own table cloth for an 8 ft table, any marketing material you want to distribute and any materials you need if you plan on conducting interview(s).

Lunch will be provided and if you have any adjustments to the number of lunches you ordered, please email me no later than Tuesday, March 8, 2016, as the order has to be placed on Wednesday, March 9, 2016. Bottle waters will be available throughout the day.

Please do not hesitate to contact me if you have any questions. Thank you for your participation. Take care.

A MESSAGE FROM MICHAEL JURIC, ED.D., ASSISTANT SUPERINTENDENT SCOE HUMAN RESOURCES

To: District Superintendents and Human Resources Representatives

I am pleased to announce that the Sonoma County Office of Education and the West Sonoma County Union High School District have teamed up to co-host a Sonoma County Districts' Job Fair to assist school districts within Sonoma County with the recruitment of teachers for the 2016-2017 school year.

Our Sonoma County Districts' Job Fair will be held on Saturday, March 12, 2016, from 10 a.m. - 2 p.m. here at SCOE. All Sonoma County School Districts are invited to participate; and may do so by completing the attached registration and returning it to SCOE by the February 12, 2016 deadline.

If you have any questions or concerns, you may direct them to Michael Juric at mjuric@scoe.org or Mia Del Prete at mdelprete.do@wscuhd.k12.ca.us.

Thank you,

Patti Springer
Administrative Assistant

Cindy Brennan (cbrennan@srcs.k12.ca.us) has a question for you about your event SJSU New Employer Orientation.

Hello, I have signed up for the new employer orientation. Can you confirm that it is onsite in San Jose and not a webinar? For some reason, I thought it was a webinar, but it looks like it is being held at a physical location. Thank you. Sincerely, Cindy Brennan

Subject: SJSU New Employer Member Orientation - Feb 26th, 11AM - 12:15PM

Hello SJSU Employer,

I'm Daniel Newell, Program Manager of Workforce & Economic Development at San Jost State University for the Career Center.

On February 26th, from 11AM-12:15PM, we will be hosting our monthly orientation for employers who are new to recruiting from SJSU. The orientation is designed to on-board new organizations or new representatives to familiarize them with our recruiting and staffing services and to provide the opportunity to meet with some of our staff.

Available New Employer Orientation dates:

- February 26th
- March 25th
- April 22nd
- May 27th

New Employer Orientations are hosted at the San Jose Silicon Valley Chamber of Commerce located at 101 W Santa Clara St. San Jose, CA 95113.

Please forward inquiries to Keith Lewis at keith.lewis@sjsu.edu.

We look forward to seeing you there!
