### ADMINISTRATIVE DISCRETION REGARDING BOARD POLICY

~~Through the adoption of written policies, the Governing Board conveys its expectations for action that will be taken in the district, clarifies roles and responsibilities of the Board and Superintendent, and communicates Board philosophy and direction. However, the Board recognizes that, at times, situations may arise in the operation of district schools or in the implementation of district programs that are not addressed in Board policy or administrative regulation. When resolution of such a situation necessitates immediate action, the Superintendent or designee shall have the authority to act on behalf of the district.~~

The Governing Board desires to be proactive in communicating its philosophy, priorities, and expectations for the district; clarifying the roles and responsibilities of the Board, Superintendent, and other senior administrators; and setting direction for the district through written policies. However, the Board recognizes that, in the course of operating district schools or implementing district programs, situations may arise which may not be addressed in written policies.
