FROM: Kathie Kanavel, Assistant Superintendent, Educational Services

Prepared By: Wayne Leach, Principal, Bracher Elementary School

SUBJECT: Approval of Field Trip for Bracher School, October 9-13, 2017

ADMINISTRATIVE SUMMARY:

Bracher Elementary School has been given the opportunity to send all 5th graders to Walden West Outdoor Science School. The trip is set for 10/9-10/13, upon approval from the board. The costs for the trip are being paid for by the Educational Services Department.

RECOMMENDATION:

Approval of overnight field trip.

Bracher Elementary School

Santa Clara Unified School District • Wayne Leach, Principal

September 12, 2017

Dear Superintendent Rose and the Santa Clara Unified School District Board,

As the principal of Bracher Elementary, I approve the 5th grade trip to Walden West Outdoor Science School in Saratoga, California. They will be going from Monday, October 9, 2017 through Friday, October 13, 2017. The staff members who will accompany the students and be in charge are Ms. Dana Jensen and Ms. Alison Kubani.

Approximately 60 students and the two classroom teachers will spend four nights in dormitories and hot meals will be served three times a day. Supervision will be provided 24 hours a day by camp staff, the classroom teachers, and specially trained volunteer cabin leaders. Transportation will be provided by SCUSD Transportation Department. The cost per student will be approximately \$290. Funds to cover the cost of this trip will be secured through the District's funds.

No student will be denied from attending due to financial difficulties.

All provisions of BP and AR 6153 have been met.

We are very excited at Bracher Elementary School to bring the fifth grade students to this outdoor opportunity. I approve this field trip and hope the School Board will approve this outdoor immersive science camp experience for our fifth graders.

Sincerely,

Wayne Leach, Principal

Dear Outdoor School Coordinator:

Welcome to another great year at Walden West. Listed below is critical outdoor school information for Walden West Cupertino Site.

Please be sure all participating teachers and principals read this letter.

1. Buses should arrive the first day at 9:30 a.m. On the last day, buses should arrive at 10:45 a.m. in order to prepare for their 11:30 a.m. departure. Walden West staff will not be available to monitor students who arrive early or leave late.
2. Friday morning, students eat brunch at 9:00 am. You may wish to plan a lunch at school for students that will remain on your campus until the end of the day.
3. Moving toward healthy foods for students, Walden West has no soda machines. Please make sure every child has ordered a water bottle or has packed one.
4. Every child must complete a Walden West Registration and Health Form as well as a school-provided field trip release form. Bring the completed, alphabetized forms to Walden West. The field trip form should travel with the teacher for emergency purposes if an accident occurs on the way to or from Walden West.
5. Students who take medication, prescription or over the counter, are required to complete the Physician Information Form. No medication, including Tylenol or Benadryl, or topical cream can be administered at Walden West unless the physician and parent have signed the form and it has been given to Walden West. The form is in the student packet.
6. Medications are to be in original containers and listed on the Physician Information Form. Information on the form has to match the information on the medication. Place the medications and signed Physician Form in a one-gallon plastic bag with the student's name written on it.
7. We encourage you to provide your own cabin leaders. Even without the 1 to 12 ratio, you will receive \$50.00 off for each cabin leader. There is an enormous benefit in the quality of cabin leaders recruited as well as a price reduction. Look in the packet for the Cabin Leader Recruitment Guide for additional information. Please call our Cabin Leader Liaison at (408) 573-3056 if you have any questions regarding cabin leaders.
8. The 2016-2017 outdoor school fees are as follows:

	<u>4- day</u>	<u>5- day</u>
If cabin leaders are provided at 1:12 ratio	\$265	\$285
If cabin leaders are not provided at 1:12 ratio	\$270	\$290
Teacher cost	\$155	\$165

9. Please let parents know that there are no refunds for students sent home for disciplinary action.
10. In the past, the Field Trip Foundation has provided grants to offset cost for schools that serve low income students. Contact info@fieldtripgroup.org

11. Send your typed cabin groupings a week prior to your arrival. Bring hard copies to Walden West.
12. In the event that an emergency occurs while you are attending Walden West, it is important you bring the completed phone tree form (included in the teacher packet) to Walden West.
13. Bring your digital cameras and laptops to create a slide show your students will always remember for Friday's closing ceremony. You can walk away with the perfect slide show for Open House.
14. There is no direct line to the teachers' room. Please provide a cell phone number for parents to call. This will act as the non-emergency line for parents to get ahold of teachers and students. Teachers are the first point of contact for families, as they know their students best. The staff can be reached at 408-867-1120 for emergencies. Non-emergencies will be directed back to teachers.

Walden West has provided outdoor educational opportunities for students throughout Santa Clara County for over 60 years. Improvements have been made throughout the program and site to continue to deliver the best and safest possible experience for students.

Sincerely,

Marie Bacher

Dear Board of Trustees:

I approve of the Wilcox High School Engine Challenge Team to attend the Hot Rodders of Tomorrow Engine Challenge National Competition.

The students will depart for the Engine Challenge Nationals on October 29, 2017. The competition is a featured event during the Specialty Equipment Market Association (SEMA) show from October 30 – November 3, 2017 at the Las Vegas Convention Center in Las Vegas, Nevada. The Hot Rodders of Tomorrow will reimburse the school for overnight accommodations for competitors at Cannery Casino and Hotel. The team will be transported using district vans.

The students attending this Engine Challenge National event will sit for an automotive general knowledge test and attend industry training sessions or job fair interviews which will focus on academic and industry skills and promote development of community oriented responsible leaders.

There is no registration fee for participants (for students and advisors). The hotel cost for advisor/chaperone is \$175.00 per night which will be covered by ROP funds. No student will be denied participation due to the lack of funds. Fundraisers will be held in order to defray the costs of the trip. All provisions of SCUSD Board Policy 6153 will be met.

The trip will be chaperoned by Jozef Antolin, Teacher/Advisor and a District approved chaperone to be determined.

Sincerely,

Kristin Gonzalez

SUBJECT: STUDENTS TO PARTICIPATE IN THE NATIONAL COMPETITION OF
HOT RODDERS OF TOMORROW ENGINE CHALLENGE
LAS VEGAS, OCTOBER 29 - NOVEMBER 3, 2017

ADMINISTRATIVE SUMMARY: Wilcox High School automotive students will participate in the National Competition of Hot Rodders of Tomorrow Engine Challenge, featured at the Specialty Equipment Market Association Show (SEMA), in Las Vegas, NV. During the event the students will compete against 20 other schools to build a small block Chevy race engine. In addition to the engine build, students will attend a job fair presented by manufacturer and industry representatives. A general automotive knowledge test has been incorporated into the 2017 contest. Students will extend their life-long learning of how a CTE Student Organization (CTESO) may support academic success and how CTESO participants may become leaders within their communities. Leadership skills acquired by attending this competition will be life-long skills that can be used at the Wilcox campus and throughout life.

Approximately seven students will attend the competition, which will be held at the Las Vegas Convention Center in Las Vegas, NV. They will be accompanied by Wilcox High School's automotive technology teacher/advisor, Jozef Antolin.

There is no participation fee for the contest or hotel cost for student participants. The cost of meals is estimated at \$40.00 per day per participant. The Hot Rodders of Tomorrow organization will reimburse the school in the amount of \$500.00 for hotel accommodations at Cannery Casino and Hotel, North Las Vegas, NV. Fundraising efforts have been planned but are not completed. No student will be denied the opportunity to attend due to financial difficulty.

Cost for transportation is estimated at \$600.00 for use of a district van and fuel costs will depend on prices at the time of travel, but is estimated to be \$600.00. Advisor, Jozef Antolin, is an SCUSD approved driver for the district van. The cost of a substitute teacher will be covered by ROP funds.

All provisions of SCUSD Board Policy 6153 will be met.

RECOMMENDATION: It is recommended that the Board approve the field trip to the 2017 National Competition of Hot Rodders of Tomorrow Engine Challenge in Las Vegas, NV.
