Dear Ms. Kitamura,

On behalf of Sonoma Wine Country Weekend, we are pleased to inform you that your Fund the Future grant application to support Links to Literacy, enabling low-performing grade TK-3 students to become proficient readers by the end of third grade through family engagement and volunteer tutor support has been approved for the amount of \$95,000. The funds must be used specifically for the designated purpose(s) outlined in your grant application.

Included with this letter is our grant contract. Please review the grant contract carefully and return a signed copy to Community Foundation Sonoma County's Vice President for Programs, Karin Demarest, via email at [kdemarest@sonomacf.org](mailto:kdemarest@sonomacf.org) or via fax at (707) 578-4801 by July 22, 2016. The grant contract details a number of key areas including general grant management requirements, reporting requirements, and expectations of Fund the Future Partners.

Congratulations on this recognition of your important efforts. We look forward to working with you during the coming year to ensure all children in your district have the greatest opportunity for success.

Sincerely,

Dan Goldfield, President  
Sonoma County Vintners Foundation
