

Santa Rosa City Schools CTE Programs

Elsie Allen HS		
CTE Industry Sector	CDE approved CTE Pathway () indicates District Pathway name	Program Courses
Agriculture and Natural Resources	Agriculture	Earth Science in Agriculture P Biology and Sustainable Agriculture P Agriculture Soil Chemistry P Veterinary Science P Floriculture 1 P Landscape Design Agriculture Mechanics 1 Agriculture Mechanics 2 Ag Power Technology
Hospitality, Tourism and Recreation	Culinary Arts	Farm to Table P Culinary Arts and Hospitality Management P
Public Services	Public Safety	Public Safety 1 Public Safety 2 Public Safety 3

Maria Carrillo HS		
CTE Industry Sector	CDE approved CTE Pathway () indicates District Pathway name	Program Courses
Health Science and Medical Terminology	Patient Care (Sports Medicine)	Sports Medicine P Athletic Training
Hospitality, Tourism and Recreation	Food Service and Hospitality (Culinary Arts)	Culinary Arts 1 Culinary Arts 2 Culinary Arts Internships Culinary Arts and Hospitality Management P
Transportation	Systems Diagnostics and Service Repair (Automotive Technology)	Automotive Tech 1 Automotive Tech 2 Automorphosis Automotive Tech 3

Rincon Valley MS		
CTE Industry Sector	CDE approved CTE Pathway () indicates District Pathway name	Program Courses
Hospitality, Tourism and Recreation	Food Service and Hospitality (Culinary Arts)	Foods II

Montgomery HS		
CTE Industry Sector	CDE approved CTE Pathway () indicates District Pathway name	Program Courses
Arts, Media and Entertainment	Production and Managerial Arts (Technical Arts)	Video Arts and Technology P Drama Production P
Building and Construction Trades	Residential and Commercial Construction (Green Construction Technology)	Intro Green Construction Advanced Green Construction P
Business and Finance	Business Management (Business)	Computer Foundations Multimedia/Desktop Publishing Business Management P Entrepreneurship P Business COOP
Energy, Environment, and Utilities	Environmental Resources	Sustainable Practices Biological Links to the Energy and the Environment P Advanced Sustainable Practices

Piner HS		
CTE Industry Sector	CDE approved CTE Pathway () indicates District Pathway name	Program Courses
Engineering and Architecture	Engineering Technology (Geospatial Technology)	GIS 1: Maps and Spatial Info P GIS 2: Principles of GIS P GIS 3: Applications in GIS P Space Science P
Engineering and Architecture	Engineering Design (Project Make)	Project Make Project Make-Applied Physics
Hospitality, Tourism and Recreation	Food Service and Hospitality (Culinary Arts)	Culinary Arts 1 Culinary Arts 2 Culinary Arts Internships Culinary Arts and Hospitality Management P
Health Science and Medical Terminology	Biotechnology (Health Science and Biotechnology)	Health Science and Biotechnology 1 P Health Science and Biotechnology 2 P Health Science and Biotechnology 3 P
Information and Communications Technologies	Software and Systems Development (Business & Information Technology)	Computers for College and Careers Intro to Computer Programming

Santa Rosa HS		
CTE Industry Sector	CDE approved CTE Pathway () indicates District Pathway name	Program Courses
Agriculture and Natural Resources	Agriculture	Introduction to Agriculture P Earth Science in Agriculture P Biology and Sustainable Agriculture P Animal Anatomy and Physiology P Veterinary Science P Floriculture 1 P Floriculture 2 P Food Science and Nutrition P Environmental Horticulture P
Building and Construction Trades	Cabinetry, Millwork, and Woodworking (Construction Technology)	Cabinetry and Wood Products 1 Cabinetry and Wood Products 2 Cabinetry and Furniture Making
Manufacturing and Product Development	Machining and Forming Technologies (Manufacturing)	Manufacturing 1 Manufacturing 2 Manufacturing 3
Transportation	Systems and Diagnostics and Service Repair (Automotive Technology)	Automotive Tech 1 Automotive Tech 2 Automotive Tech 3
