Rationale for activity:

- A) Explain the educational value and relate to the instructional program or sponsoring organization and Policy 1100.

It is a common occurrence for a choir to perform a choir exchange with other schools and receive feedback for their work. A Choir Exchange is a powerful tool for focusing and inspiring students as they will perform for a their peers as well as different choir directors who can offer different perspectives on their work. The students will also be representing their school in a public sphere and learning what it means to be part of a larger choral world. Finally the trip serves a relationship builder and is often the highlight of the year.

- B) Explain impact on instructional time and justification for any time lost.

The students will be missing classes on Friday April 8th so they have choir exchanges with 2 other schools in the area during their class periods. Teachers will be given advance notice of this absence and any missed work will be the responsibility of the student.

- C) Complete Itinerary: Please be specific and include detailed activity time periods for each day. (Attach additional page(s) if necessary.)

Please see attached Itinerary for specific daily schedule.
