### Limits Of Board Member Authority

BB 9200

## Board Bylaws

The Governing Board recognizes that the Board is the unit of authority over the district and that a Board member has no individual authority. Board members shall hold the education of students above any partisan principle, group interest, or personal interest.

(cf. 9000 - Role of the Board)

(cf. 9005 - Governance Standards)

(cf. 9270 - Conflict of Interest)

Unless agreed to by the Board as a whole, individual members of the Board shall not exercise any administrative responsibility with respect to the schools or command the services of any school employee. Individual Board members shall submit requests for information to the Superintendent. Board members shall refer Board-related correspondence to the Superintendent for forwarding to the Board or for placement on the Board's agenda, as appropriate.

Individual Board members do not have the authority to resolve complaints. Any Board member approached directly by a person with a complaint should refer the complainant to the Superintendent or designee so that the problem may receive proper consideration and be handled through the appropriate process. This provision shall not preclude any Board member from meeting with any person or from inquiring with the Superintendent or designee regarding any issue.

A board member whose child is attending a district school should be aware of his/her role as a Board member when interacting with district employees regarding his/her child. A Board member should inform the Superintendent or designee before volunteering in his/her child's classroom.

(cf. 1312 - Complaints Concerning the Schools)

(cf. 1240 - Volunteer Assistance)

(cf. 5020 - Parent Rights and Responsibilities)

(cf. 9270 - Conflict of Interest)

(cf. 9322 - Agenda/Meeting Materials)

(cf. 9323 - Meeting Conduct)
