

**Berkeley Unified School District Resolution No. 16-029**  
**Supporting Youth Voter Registration and Voting**

**WHEREAS** the mission of the Berkeley Unified School District is to prepare every student for success, to be engaged community members contributing to and becoming good stewards of our changing world, and to be creative critical thinkers, prepared for college, career and life-long learning; and

**WHEREAS** providing youth the opportunity to learn and participate in our democracy is a core function of public education; and

**WHEREAS** students are encouraged to participate in our democracy through voting and civics education programs by influencing their peers, members of their family and communities to register to vote and participate in elections; and

**WHEREAS** the District is committed to proactively strengthening democracy by encouraging voter registration, elections worker recruitment and increasing participation in all elections by eligible voters; and

**WHEREAS** young people play a critical role in our democracy through helping to choose the people who will lead and by voicing their opinions on the issues that are important to them; and

**WHEREAS** building a comprehensive program that integrates voter registration activities into broader civics education, encourages youth to be active in civic life, to be better prepared to enjoy the rights and responsibilities of citizenship; and

**WHEREAS** the County of Alameda sponsors a voter pre-registration program for students who will be 18 years old at the next election, in its effort to cultivate a climate of active voting citizenship;

**THEREFORE BE IT RESOLVED** that the Berkeley Unified School District will work in partnership with nonprofit, nonpartisan, public interest community organizations, and public agencies, including the Alameda County Registrar of Voters, to integrate ongoing, coordinated voter education and registration drives.

**BE IT FURTHER RESOLVED** that the Berkeley Unified School District encourage all eligible students to register to vote, encourage district staff

to work with voter registration efforts designed to inform our students, and provide information and access for voter registration forms and links, urging high school principals to designate at least one employee [or student] to assist [other] students in completing voter registration forms and to work with community organizations throughout the year to offer voter registration opportunities to high school students.

**Approved and adopted this 24<sup>th</sup> day of February, 2016.**
