RE: **AstroTurf® GameDay Grass Installation**  
**La Canada High School**

AstroTurf is pleased to submit the following planning proposal for the manufacture and installation of **AstroTurf® GameDay Grass™** to be installed at **La Canada High School, La Canada, CA**. All pricing includes all labor, materials, tools and equipment necessary to install in-place, the synthetic turf applications referenced (in accordance with our published product specifications) and described as follows:

<b>AstroTurf® GameDay Grass™ DT32:</b>		<b>\$662,645.00</b>
<b>Payment and Performance Bonds 1.5%:</b>	<b>=</b>	<b>\$9,939.68</b>
<b>Sales Tax (9%):</b>	<b>=</b>	<b><u>\$56,112.34</u></b>
<b>Total:</b>		<b>\$728,697.02</b>

**Inclusions – Each Field:**

- Samples, submittal information, and shop drawings as required
- Insurance as required
- Visual inspection and verification of the sub-base constructed by others
- Brock PowerBase Pad and installation
- Installation of **AstroTurf GameDay Grass™** product utilizing manufacturer-certified crews
- Inlaid markings as required for Soccer
- Inlaid markings as required for Football
- Center Field Logo (LC)
- End Zone Lettering (LA CANADA & SPARTANS)
- An infill of ZeoFill and Silica Sand at the manufacturer-approved weights and ratios for the selected AstroTurf® GameDay Grass™ system at the completion of the infill installation
- Wages as appropriate in the State of California (prevailing / non-union).
- **Astroturf's Standard (8) Year Warranty the turf system materials and installation**
- Grooming Equipment – TCA 1400 Groomer
- One (1) G-Max testing at completion
- Cleanup and disposal of our debris into dumpsters

- A one year maintenance package with 2 visits within that year.

### Exclusions:

- Any work not directly stated above
- Any site work applications, including site demolition, drainage systems, sub-base construction, grading, concrete apron curb or attachment board applications. Our work commences directly on to the site contractor provided sub-base. On-going maintenance or repairs to the sub-base are the responsibility of the site contractor.
- City or county permits
- Geotechnical testing / investigation of the site
- Rock excavation
- Any soil modifications (over excavation / stabilization, etc...). We are not in receipt of any geotechnical testing and cannot make any assumptions on the stability of the soils.
- Any relocation or removal of existing utilities not limited to electrical conduits, power poles, water, sewer, gas, cable, telephone, storm drainage, irrigation heads, lines, valve boxes, or wiring of same.
- Any additional irrigation / plumbing
- Fencing
- Any landscaping
- Any survey, layout, certification, testing, or inspection costs, other than those associated with visual base inspection, additional G-Max Testing, and 3<sup>rd</sup> Party Warranty verification
- Any applicable taxes – customer shall provide a satisfactory tax exempt certificate or taxes will be added to the materials pricing.
- Any sports event, goals, sports netting, or any other athletic equipment applications
- Any Liquidated Damages surcharges.

\*Lead times for manufacturing: Once AstroTurf has PO or Signed contract from the School District, and all approved submittals we can start manufacturing/order materials. It takes 24 days to manufacture all turf, 7 days for all graphics, and 5 to 6 days freight time to site.\*

Thank you again for your interest. We certainly do look forward to working with you and are available at any time to answer any questions or review any concerns.

Sincerely,

*Yvonne Swanson*
