Adult Education**

BP 6200

**Instruction**

The Governing Board recognizes that education is a lifelong process and that it is important for individuals to continuously develop new skills.

The Superintendent or designee shall develop and oversee the district's adult education program. The Board shall approve all publicly-funded courses to be offered in this program.

In classes designed for adults, BUSD will observe any prohibition against charging student fees identified in Ed Code or other applicable law. In conditions where charging adult students fees is legally permissible, the superintendent or designee will set class fees with consideration of covering program costs and of providing access to those students a program is intended to serve.
