Re: **La Canada Unified School District**  
Architectural Consulting Services  
LPA Project No. 16111.20

Mr. Evans:

LPA, Inc. is pleased to submit the following Fee Proposal to provide the La Canada Unified School District (DISTRICT) with on-call architectural and engineering consulting services. These services shall include design consultation that go beyond the services of the Facilities Master Plan as defined in our Architectural Services Agreement. These services would apply to Article 3, Additional Architectural Services and will be considered individually as separate Tasks as needed for the District.

Compensation for various Tasks requiring LPA involvement, we propose services based on the hourly rate schedule defined in Exhibit B of our current Architectural Services Agreement, to a Maximum of \$20,000.00. Based on the specific task, LPA will estimate the total hours required to assist the District prior to commencing with the work. Should the Task evolve into a larger effort, LPA will provide a specific Fee Proposal and Scope of Services for that effort.

We appreciate the opportunity to serve LCUSD.

Sincerely,  
LPA, Inc.

Rick Musto, AIA, LEED AP BD+C  
Managing Director
