Sylvan Union School District

Dear Debra:

The Boys & Girls Club of Stanislaus County would like to offer our assistance in raising the \$50,000 for the STEAM project (Lab movable wall) at Sylvan Elementary School. As a nonprofit organization, we believe we have the capability to find funding to support this project.

At our Executive Committee meeting, we unanimously supported offering you this support. We know that our institutions benefit from providing Sylvan students with this caliber of educational knowledge.

We appreciate the partnership we have with the District, and as partners we want to offer our help to expand our programming to accommodate this initiative.

Yours truly,

A handwritten signature in cursive script that reads "Mary Ann Sanders".
