School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Stockard Coffee Elementary School opened its doors to educating children in grades Kindergarten through fifth grade in 1975. During the 2015-2016 school year, approximately 515 students were enrolled in kindergarten through fifth grade. We believe that a child's education is fostered by the school and families working together to provide a learning experience where the students will excel. Our mission is to teach students how to learn, to help them gain knowledge, and to promote a positive self-image and growth in a culture of safety and respect. Utilizing district-adopted curriculum the staff employs the most effective teaching strategies along with grade level collaboration time to ensure the students are receiving quality instruction in all academic areas. Assemblies are a time when the entire school comes together to celebrate each other and accomplishments. Through the analysis of data and communication between staff members, students are provided with an educational experience that incorporates strong academic goals, physical education, comprehensive music and art programs, and the development of life-long character skills which will help develop our students into successful adults.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: August, 2016

Sylvan Union School District provides each student in grades K-8 sufficient textbooks or instructional materials in each subject consistent with the content and cycles of the curriculum framework. On August 23, 2016 the Sylvan District Board of Trustees adopted Resolution 2016/2017 #03: Sufficiency of Instructional Materials.

School Facility Conditions and Planned Improvements (Most Recent Year)

Cleaning Process: Stockard Coffee Elementary School strives to maintain a safe, healthy, nurturing and orderly school campus that encourages positive attitudes in students and staff. The district governing board has adopted cleaning standards for all schools in the district. Schools are on a regular cleaning schedule including wiping surface areas, being swept or vacuumed and the trash emptied. The cafeteria, gym, and all restrooms are cleaned daily. Grounds are groomed on a rotating basis with trash, lawn, and plumbing issues addressed as needed.

Maintenance and Repair: The District maintenance staff ensures that repairs necessary to keep each school in good repair and working order are completed in a timely manner. Four full-time maintenance staff ensure that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient service; emergency repairs are given the highest priority. At the time of publication, 100% of campus restrooms are in complete working order. The results of our inspections are the result of a continuous inspection thorough the year. The main parking lot was removed and replaced and the VCT was removed in the MPR and the concrete was polished. Portables 33 and 34 were remodeled and the complete insides were redone and two offices were built in 34. There was an office build to accommodate a Vice Principal. The exterior lighting was retrofitted and 4 HVAC units were replaced on the MPR. The roof on the MPR needs to be replaced. The maintenance department will continue forward with preventative maintenance and routine repair and maintenance throughout the year.

B. Pupil Outcomes**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

	5	33	32	97.0	3.1

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Stockard Coffee Elementary parents and community members are actively involved in both district and site level committees, and in the classrooms. Our School Site Council (SSC) and Parent Teacher Association (PTA) are committed to working with staff and parents to build a strong community focused on raising student achievement through parent involvement. Parents and community members are encouraged to participate in these committees. Stockard Coffee Elementary is fortunate to have a large number of family volunteers who provide assistance in the classroom as well as during field trips and school events. Parent participation throughout the school is encouraged and information is made available to our families through various sources such as the school website, newsletters, and information sent home in the weekly Communication Folder. Parents who wish to volunteer at Stockard Coffee Elementary School may contact the school's office at (209) 574-5500.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2016-17)

Stockard Coffee Elementary School has adopted a comprehensive School Safety Plan that is reviewed and updated annually by members of the School Site Council. The Site Council is comprised of teachers, classified staff, parents, and the principal. The Safety Plan for the 2015-2016 school year was formally approved by the school's School Site Council on 2/17/2016. The school staff suggested final changes and had input on new assignments at the 8/10/2015 staff meeting. The revised Safety Plans are presented to the Sylvan Union School District Board of Trustees for annual review and approval. The Safety Plan is reviewed with staff members at the beginning of each school year with particular attention paid to emergency situations and staff and student responses. Safety drills, including fire, earthquake, and lockdown procedures, are held regularly. In addition, the school is inspected annually by the fire marshal and daily by the custodian. All issues discovered during these inspections are given the utmost priority. Copies of the comprehensive School Safety Plan are posted in each classroom and office area.
