RE: FORM TO RECORD DISTRICT AND/OR SCHOOL REPRESENTATIVES TO LEAGUES

DATE: APRIL 22, 2016

Enclosed is a form upon which to record your district and/or school representatives to leagues for **next year, 2016-2017**. It is a form sent every year to you in order to obtain the names of league representatives to every league in the state and to make sure that the league representatives are designated by school district or school governing boards. **It is a legal requirement that league representatives be so designated.**

The education code gives the authority for high school athletics to high school governing boards. The code also requires that the boards, after joining CIF, designate their representatives to CIF leagues. This is a necessity! (Ed. Code 33353 (a) (1))

We are asking that, after action by the governing board, you **send the names of league representatives to your CIF Section office**. Obviously, the presumption behind this code section is that the representatives of boards are the only people who will be voting on issues, at the league and section level, that impact athletics.

If a governing board does not take appropriate action to designate representatives or this information is not given to Section offices within the required time frame, CIF is required to suspend voting privileges (CIF Constitution, Article 2, Section 25, p.17) for the affected schools.

At the State Federated Council level we will be asking that Sections verify that their representatives are designated in compliance with this Ed. Code section.

I hope this gives you a bit of background. Thank you for all you do to help support high school athletics. It is a valuable program in all high schools and we appreciate the support you give to the program and to CIF.

Please return the enclosed form no later than June 29, 2016 directly to your CIF Section Office. Addresses of each section are listed on the back of the form. Please contact us if we can give you further information.

### 2016-2017 Designation of CIF Representatives to League
