California Accountability Dashboard March 2017
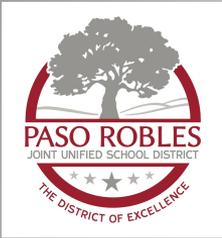

Guiding Principles

Belief: Every student will have success.

Vision: Every student will be prepared for success in college, career, and community.

Mission: Our mission is to deliver an exemplary education, in a safe environment, which empowers students with the skills, knowledge, and attitudes necessary for success in an ever-changing world.

Purpose of the CA Dashboard

- Provide public access to the state and local accountability measures that align with the eight state priorities

- Provide schools/districts with disaggregated data to determine student achievement needs

- Identify schools/districts in need of support through multiple measures

Eight State Priorities

1. Basic Service and Conditions (local)
2. Implementation of State Academic Standards (local)
3. Parental involvement (local)
4. Student Achievement (state)
5. Student Engagement (state)
6. School Climate (local and state)
7. Access to a Broad Course of Study (state)
8. Outcomes in A Broad Course of Study (state)

The California Way

The multiple measures system uses status and change to create a 5x5 grid which produces 25 results and 5 performance levels

Status - Very High, High, Medium, Low, Very Low

Change - Increased Significantly, Increased, Maintained, Declined, Declined Significantly

Performance - Blue, Green, Yellow, Orange and Red
	Blue	**Highest**

CA Dashboard Measures

The March 2017 release is:

- Data our district and sites have already reviewed, analyzed and acted upon - "old data"

- Designed to let districts, schools, and the community learn about the new accountability system

- Designed to prepare for the Fall 2017 release which will have current data
