30-31				SC	SY	SY	SH						
31-32					M&O/FS								
32-33					DO								

Floor tiles- With the floor tiles, our goal is to have them all removed and replaced with polished concrete (where we can). Once that is done, so is the tile.

Ceiling Tiles- The best thing to do for the ceiling tiles is to maintain them and replace the ones that need to be. No sense in replacing entire schools.

Playground equipment- there is no playground equipment at the middle schools.
