Background of Measure LC Parcel Tax

The Governing Board, at its meeting on November 12, 2013, adopted Resolution No. 14-13-14 calling a Parcel Tax election for March 4, 2014. The purpose of the parcel tax, as specified in Resolution No. 14-13-14, was as follows:

The purpose of this measure is to renew and increase expiring locally controlled school funding to offset the local impact of cuts in State education funding for the District and provide the funding needed to sustain the outstanding quality of local public instruction offered in the District's schools by generating a source of local revenue that cannot be taken by the State. Funds from this measure will go to continuing advanced academic programs in math, science

and technology; attracting and retaining qualified teachers; maintaining manageable class sizes; and preparing students for the best colleges and careers,. Sustaining the outstanding quality of local public instruction offered in La Cañada schools also helps to protect property values within our community.

The Measure LC Parcel Tax Oversight Committee, at its meetings on October 13, 2016, and May 16, 2017, received a detailed report of staffing positions and programs supported by Measure LC revenues during 2016-17. Because of the parcel tax revenue, the La Cañada Unified School District was able to maintain various and valuable educational programs and services. The Parcel Tax Oversight Committee concludes that the Measure LC Expenditures identified in the District budget are consistent with the purpose of the parcel tax as specified in Resolution No. 14-13-14. As such, the Parcel Tax Oversight Committee, at its meeting on May 16, 2017, certified that the Measure LC expenditures, as summarized in this report, are appropriate and consistent with the parcel tax purpose.
