Hi Jason,

Chris broke down the numbers for Sylvan Elementary School exterior and total labor cost is \$67,700.00. Since Chris worked on the numbers with Doug on for Sylvan Elem. exterior only he was able to break down the numbers, but he can't for the rest because Doug did those on his own. I will have to wait until Doug comes back to the office to get the rest of the labor costs for you. I apologize if this causes any inconvenience for you.

Thank you,
