## 2014-2015 School Accountability Report Card

### I. DATA AND ACCESS

#### SARC Data

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the new Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

#### Additional Information

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### II. ABOUT THIS SCHOOL

#### School Description and Mission Statement (Most Recent Year)

Glenwood Elementary School serves a community composed primarily of single-family homes in east San Rafael, and also includes overflow students and intra-district transfer students from other areas of San Rafael.

Glenwood is a California Distinguished School and a National Blue Ribbon School. Glenwood offers a well-balanced, challenging and multi-faceted program. Instructional focus is on mastery of basic skills, application of those skills in challenging ways, critical thinking, writing, and development of interests in art, music, physical fitness, and technology.

It is the mission of Glenwood School to provide every student with a challenging educational program that develops and nurtures self-esteem, intellectual curiosity, independent thinking, and, in the process, creates a happy and productive citizen.

#### Student Enrollment by Grade Level (School Year 2014-2015)

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students	Grade Level	Number of Students
Kindergarten	84	Grade 4	51
Grade 1	76	Grade 5	68
Grade 2	75		
Grade 3	70	Total Enrollment	424

## II. ABOUT THIS SCHOOL

### Student Enrollment by Group (School Year 2014-2015)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment	Group	Percent of Total Enrollment
Black or African American	1.4%	White	70.8%
American Indian or Alaska Native	0.7%	Two or More Races	0.5%
Asian	7.3%	Socioeconomically Disadvantaged	16.5%
Filipino	0.5%	English Learners	9.9%
Hispanic or Latino	17.9%	Students with Disabilities	7.3%
Native Hawaiian or Pacific Islander	0.5%	Foster Youth	0%

## III. CONDITIONS OF LEARNING

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence.

Teachers	School			District
	2013-2014	2014-2015	2015-2016	2015-2016
With Full Credential	22	21	23	242
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	3

### Teacher Misassignments and Vacant Teacher Positions

A "teacher misassignment" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. A "vacant teacher position" is one in which a single designated teacher has not been assigned to teach an entire course at the beginning of the school year or semester. This table displays the number of teacher misassignments and vacant teacher positions for the most current three-year period. Note: *Total Teacher Misassignments* includes the number of *Misassignments of Teachers of English Learners*.

Indicator	2013-2014	2014-2015	2015-2016
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	1

## III. CONDITIONS OF LEARNING

### Core Academic Classes Taught by Highly Qualified Teachers (School Year 2014-2015)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. This table displays the percent of classes in core academic subjects taught by and not taught by Highly Qualified Teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High-poverty schools are defined as those with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals program. For more information, see the *Improving Teacher and Principal Quality* Web page at <http://www.cde.ca.gov/nclb/sr/tg>.

Location of Classes	Percent of Classes in Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100%	0%
All Schools in District	100%	0%
High-Poverty Schools in District	100%	0%
Low-Poverty Schools in District	100%	0%

### Quality and Currency of Textbooks and Instructional Materials (Most Recent Year)

Curriculum development is a district-wide effort. Teachers and administrators from all subject areas form working committees to draft recommendations on courses of study, appropriate textbooks, and other instructional materials.

The California Department of Education has determined textbook selection and adoption schedules. The district follows the state schedule for these adoptions and has purchased textbooks from the most recent state-approved lists. All approved instructional materials are aligned with California content standards for core academic areas.

The Elementary School District Curriculum Advisory Council, composed of administrators, teachers, and parents representing each school in the district, reviews curriculum recommendations and revisions for all courses of study, appropriate textbooks, and other materials utilized in the support of the instructional program. The Curriculum Council recommendations are forwarded to the Board of Education for final approval. This is an ongoing process, assuring that all textbooks and instructional materials are systematically reviewed, updated, and supplemented.

This table shows some of the textbooks used with grade K-5 students. A comprehensive list of all textbooks is available at the district office.

Subject Area	Textbook Publisher and Title	Grade Level	Year of Adoption
English-Language Arts	Houghton Mifflin- <i>A Legacy of Literature</i>	K-5	2003
English-Language Arts	Pearson- <i>Reading Street</i>	K-5	2011
English Language Development	Pearson- <i>Language Central</i>	K-5	2011
Mathematics	Wright Group/McGraw Hill- <i>Everyday Mathematics</i>	K-5	2008

**III. CONDITIONS OF LEARNING**

*Availability of Textbooks and Instructional Materials (Most Recent Year)*

With textbook funding assistance from the state and other sources, the district has been able to purchase sufficient materials to provide one textbook per student in all core subject areas. The Board of Education last approved the sufficiency of textbooks and instructional materials for the San Rafael City Schools Elementary District on September 21, 2015.

*School Facility Conditions and Planned Improvements (Most Recent Year)*

At Glenwood School, the campus is orderly and students feel safe at school. The school ensures that on-site supervision is provided for programs that take place during and after school. Teachers, day care personnel, and people who run the after-school programs supervise students both before and after school. A city run day care facility is on campus after school on a fee basis. We also have a city run Spanish class before school available on a fee basis.

District and school policy require that during the school day all guests to the campus check in at the school office and obtain a “visitor pass” to identify them for security personnel and all staff and students.

Glenwood Elementary School was originally built in 1964 and with voter-approved school bond funds and state modernization funds, has been modernized in phases from 2002 to 2004. Improvements to Glenwood included modernization of existing classrooms and the multipurpose building, an addition of a new classroom wing to replace portable classrooms, expansion of the library/computer lab and student services area, and an addition of a new science classroom/lab. The school has a total of 20 classrooms - 19 permanent and one portable classroom with new exterior paint and carpeting that was installed during the summer of 2007 to accommodate an increase in student enrollment. Thanks to the good work of the PTA and other school supporters, a new sunshade was installed over the courtyard area in 2006-2007.

The district strives to ensure that all schools are clean, safe, and functional. All bathrooms, classrooms, and offices are cleaned daily. Students are encouraged to help keep the campus clean by recycling. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. An on-line maintenance order request process is used to ensure efficient service and that emergency repairs are given the highest priority.

The state’s School Deferred Maintenance Program, which provided state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components, became inoperative effective July 1, 2013. However, the district continues to make an annual contribution to support capital improvement projects, including deferred maintenance projects.

**IV. PUPIL OUTCOMES**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**Statewide Student Assessments**

The Standardized Testing and Reporting (STAR) Program was last administered during the 2012-2013 school year. California's new statewide student assessment system, the California Assessment of Student Performance and Progress (CAASPP), was established January 1, 2014 and first administered during the 2013-2014 school year. The 2014-2015 CAASPP comprises the following required assessments:

- Smarter Balanced Summative Assessment, or computer adaptive test (CAT) and performance task (PT), for English-language arts and mathematics in grades 3 through 8 and grade 11.
- Early Assessment Program (EAP), which uses the Smarter Balanced Summative Assessments in grade 11.
- Alternate assessment field test for English-language arts and mathematics in grades 3 through 8 and grade 11.
- Science assessments including California Standards Test (CST), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA), in grades 5, 8, and 10.

*Note: Percentages are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes appear (—) when the number of students tested is ten or less.*

**California Assessment of Student Performance and Progress (CAASPP) Results for All Students (School Year 2014-2015)**

This table displays the percent of students scoring at the Proficient or Advanced level (meeting or exceeding the state standards) on the CAASPP in the areas of English-language arts and mathematics for the 2014-2015 school year.

## V. ENGAGEMENT

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### Opportunities for Parental Involvement (Most Recent Year)

**Contact Person Name:** Len Shultz

**To Reach Contact Person:** [len@winequest.com](mailto:len@winequest.com)

Parent involvement is a vital component of the educational program at Glenwood Elementary School. San Rafael City Schools would not be what it is today without the contributions of countless parents and guardians who give their time and expertise as volunteers and who share their financial resources to support the goals and aspirations of San Rafael schools.

Parents and guardians have the opportunity to play an active role in their child's school experience through a number of activities. The site leadership team, school English Language Advisory Council, district and site subcommittees that address specific program needs, and the Glenwood School Foundation all provide opportunities for active parent involvement. The Glenwood School Foundation raises funds and sponsors activities, special events and vital programs that support the school.

Glenwood has a robust parent volunteer program. The administration, GSF, and teaching staff work with parents to help train, schedule and coordinate their participation in classroom and school activities. The parent volunteer program serves a comprehensive model of support and includes parents, senior citizens, community members and local businesses.

Parents are also made to feel welcome through various informational and community-building events, including back-to-school nights, concerts, and other artistic and academic performances.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

## V. ENGAGEMENT

### School Safety Plan (Most Recent Year)

**Date Reviewed and Updated:** February 2015

**Date Discussed with School Faculty:** May 2015

Glenwood Elementary School has a comprehensive school safety plan covering all aspects of planning for emergency response and student safety. This plan is based on and coordinated with the district and county emergency preparedness plans. The plan is reviewed with school staff at the start of the school year. The plan is updated annually to increase preparedness for any emergency, including storms, fire, earthquake, or intruders on campus. The school has staff members who are trained in cardiopulmonary resuscitation (CPR) and first aid. Disaster drills are held once a semester throughout the year. Fire drills are held once a month and lock down drills are held twice a year. The school also participates in an annual county-wide disaster preparedness drill. There are disaster supplies both in the classroom and in a storage area outside the school.

Key elements included in the school safety plan include: disaster procedures, parent and staff phone trees, bus driver disaster procedures, county emergency phone numbers, procedures for safe ingress and egress of pupils, and staff emergency teams broken down by specific jobs for each teacher in the case of an emergency.

We also have a student safety and wellness committee made up of parents and teachers. They created plans of action for any issues of student safety that could arise throughout the year. We have a unified approach for the management of allergies on Glenwood's campus that provides all children with a safe and consistent learning environment.

## VI. OTHER SARC INFORMATION

The information in this section is required to be in the SARC but it is not included in the state priorities for the LCFF.

### Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics (due to a one-year waiver, this will not be reported for 2015)
- Attendance rates as an additional indicator (for elementary and middle grades only)
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

### Adequate Yearly Progress Overall and by Criteria (School Year 2014-2015)

This table displays an indication of whether the school, district, and state made AYP overall and whether the school, district, and state met each of the AYP criteria.

AYP Criteria	School	District	State

#### Federal Intervention Program (School Year 2015-2016)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years. After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE PI Status Determinations Web page at <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

*Professional Development*

All teachers in the San Rafael Elementary District have the opportunity to participate in two formal professional development days scheduled as part of the district calendar. Teachers were also able to take part in a paid professional development day after school concluded.

In 2014-2015, training topics included: Common Core State Standards Transition with a focus on unit production and implementation.

Teachers and other key school staff members have additional opportunities for participation in professional development activities through district, school, categorical, grant, foundation, and parent teacher organization funds. Professional development is focused to support the mission and goals of the district and each school site plan and may include site and district training, county offerings, state and national conferences, and workshops as appropriate.
