Board Policy

Immunizations

BP 5141.31

Students

To protect the health of all students and staff and to curtail the spread of infectious diseases, the Board of Education desires to cooperate with state and local health agencies to encourage immunization of all district students against preventable diseases.

Each student enrolling for the first time in a district elementary or secondary school, preschool, or child care and development program or, after July 1, 2016, enrolling in or advancing to grade 7 ~~Students entering a district school or child care and development program, or transferring between school campuses,~~ shall present an immunization record **which shows at least the month and year of each immunization** from any authorized private or public health care provider certifying that he/she has received all required immunizations in accordance with law. Students shall be excluded from school or exempted from immunization requirements only as allowed by law.

Each transfer student shall present his/her immunization record certifying that he/she has received all required immunizations currently due before he/she is admitted to school.

The Superintendent or designee may arrange for qualified medical personnel to administer immunizations at school to any student whose parent/guardian has consented in writing.
