

Student Services

Board Meeting 9-19-17

Staffing

We recently hired:

School Psychologist for GH & LP - Shevaun Taylor

Speech Therapist at Meadows- Dana McLain

Paraeducator at Taylor - Karen Laguas

We have one open position- the 2-3 grade SAI class at Meadows

Supporting Staff

We welcome our new Special Education Teachers:

Austri Fletcher - SAI teacher at Taylor

Mark Squire - SAI teacher at Taylor

Jessica Yee - RSP teacher at Taylor

Michelle Walker - SAI teacher at Lomita Park

Our staff is being supported by the principals and school staff, coaching, training, resources and team meetings.

MTSS Support in Action

Elementary

RSP teachers reached out to offer support general education teachers.

Speech Therapist supporting the transition of students into Kindergarten with frequent visits to the class and help as needed.

Behavior Specialist coaching teachers and paraeducators on positive strategies.

Psychologists providing support strategies for students in general education.

Middle School

Collaboration with the school counselor and the District's mental health team to coordinate services to reach more students.

Special education support for all students in core general education classes .

OT provided ideas for the classroom design to meet the needs of all of the students.

What's Ahead?

Reaching ALL Students

Evidence of Success

- Increase in the amount of time special education students are in general education.
 - Incorporating interventions in general education classes.
 - Increased student engagement.
 - Increased staff collaboration.
 - Fewer referrals to special ed
 - More inclusive instruction for all students.
-

Reaching ALL Students

Together We Achieve the Extraordinary
