**RE: Lane Aire Roof Hatches  
Various Sites – Reroofing Projects**

Dear Ms. Perez,

Thank you for the opportunity to provide you with this proposal for architectural consulting services to assist the District with providing drawings and specifications to replace existing, failing, roof hatches at various sites throughout the District, while new roofs are being installed.

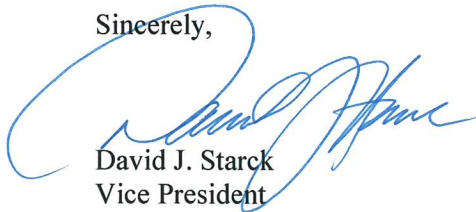

Our services for this project shall include the following:

1. Prepare 8.5"x11" drawings of each of the buildings to receive new hatches.
2. Prepare roof hatch specification.
3. Prepare typical installation details.
4. Provide support through the bidding and installation process.
5. Roof hatches shall be supplied by the District and installed by the Contractor.
6. **Exclusions from this proposal are;** DSA processing, Drawings for reroofing projects, surveying, civil engineering, architectural and structural, electrical and mechanical drawings. All fees shall be paid/reimbursed by the owner. Printing and shipping shall be considered a reimbursable expense.

***Our fee for this work shall be a "time & material not to exceed fee" of \$8,000.***

If you have any questions regarding this proposal or any of the services listed above please feel free to contact me at your convenience.

Sincerely,

David J. Starck
