Enrollment

Placement decisions for homeless students shall be based on the student's best interest. In determining a student's best interest, a homeless student shall, to the extent feasible, be placed in his/her school of origin, unless his/her parent/guardian requests otherwise (42 USC 11432).

The student may continue attending the school of origin for the duration of the homelessness and/or until the end of any academic year in which the student moves into permanent housing.

The District shall utilize the McKinney-Vento Affidavit and Caregiver Authorization forms in lieu of missing documents in order to ensure immediate enrollment, thereby eliminating any possible barrier for homeless students.

The principal or designee shall immediately contact the school last attended by the student in order to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunizations or other medical records, the principal or designee shall refer the parent/guardian and unaccompanied youth to the District homeless student liaison. The liaison shall refer the parent/guardian and unaccompanied youth to the appropriate medical service providers to obtain the necessary immunizations.

If the student is placed at a school other than the school of origin or a school requested by the parent/guardian, the Superintendent or designee shall provide the parent/guardian and unaccompanied youth with a written explanation of the decision along with a statement regarding the parent/guardian's and unaccompanied youth's right to appeal the placement decision (42 USC 11432).

(cf. 5111.13 - Residency for Homeless Children)

(cf. 5125- Student Records)

(cf. 5141.31 -Immunizations)

The principal or designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other medical records, the principal or designee shall refer the parent/guardian to the district homeless student liaison. The liaison

shall assist the parent/guardian in obtaining the necessary immunizations for the student (USC 11432).

Transportation

The District shall provide transportation for a homeless student to and from a District school of origin when the student is residing within the District and the parent requests that such transportation be provided.

If the student moves outside the District boundaries but continues to attend this district's school of origin, the Superintendent or designee shall consult with the Superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation (USC 11432).

Transportation services are provided as long as children or youth are homeless.

Enrollment Disputes

If a dispute arises over school selection or enrollment in a particular school, the student shall be immediately admitted, pending resolution of the dispute, to the school in which enrollment is sought (USC 11432).

The parent/guardian shall be provided with a written explanation of the placement decision, including the parent/guardian's right to appeal. He/she shall also be referred to the district liaison (42 USC 11432).

The district liaison shall carry out the dispute resolution process provided by the state as expeditiously as possible after receiving notice of the dispute (42 USC 11432).

(cf. 1312.3 -Uniform Complaint Procedures)

In the case of an unaccompanied youth, the homeless liaison shall ensure that the youth is immediately enrolled in school pending resolution of the dispute.
