

# California Dashboard Local Indicators

- Basic (Teachers, Instructional Materials, Facilities)
- Implementation of Academic Standards
- Parent Engagement
- Local Climate Survey (Student, Staff, Parent)

## **Indicator One: Basic** (Teachers, Instructional Materials, Facilities) Appropriately Assigned Teachers, Access to Curriculum-Aligned Instructional Materials, and Safe, Clean and Functional School Facilities

- Number/percentage of misassignments of teachers of English learners, total teacher misassignments, and vacant teacher positions:

**2016- 2017: 603 credentialed teachers with EL designation.  
0 teachers were misassigned. 0 vacant positions.**

- Number/percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home

**95% of the students had access to the required instructional materials**

- Number of identified instances where facilities do not meet the "good repair" standard (including deficiencies and extreme deficiencies):

**4 deficiencies were identified during site inspections. All were addressed.**

## Indicator 2: Implementation of State Academic Standards

Reflection tool completed by BUSD site administration (Scale=1-5)	Avg Score	Most Common Score
Progress in providing professional development in teaching the new standards	3.0	4
Progress in providing instructional materials aligned to the new standards	3.0	4
Progress in establishing practices to help staff identify areas for improving instruction aligned to the new standards	2.7	3
Progress in implementing standards for all students: CTE, Health, PE, Art, Language	2.6	3
Progress in identifying professional learning needs and providing support for teachers on the standards they have not yet mastered	2.8	3

Scale: 1= Exploration, 3=Initial Implementation, 5=Full Implementation & Sustainability

## Indicator 3: Parent Engagement

### **A local survey was administered to parents/guardians in TK - 12:**

- sought input from parents/guardians in school and district decision making
- key findings from the survey related to promoting parental participation in programs
- survey was related to the goals established for other LCFF priorities in the LCAP

## Indicator 4: Local Climate Survey

### School Climate

- California Healthy Kids Survey:
  - Administered in 2015-16 to grades 5, 7, 9, and 11
  - Met state requirement by administering climate survey to one grade level at elementary, middle, and high school
