## **2017-18 District Reopener Proposal for CSEA Chapter #401**

The District looks forward to negotiating the collective bargaining agreement with the Classified School Employees Association Chapter #401 during the 2017-18 school year. Article 19 of Collective Bargaining agreement outlines the term and process for re-opening process.

CSEA has asked to reopen Article 3: Salary; Article 4: Employee Benefits; Article 8: Leave Time; Article 10: Vacation Time; and Article 15: Noon Duty Aides.

At this time the District does not intend to open any additional articles.

In the spirit of collaboration, additional articles may be reopened as mutually agreed upon by both parties. CUSD reserves the right to freely submit alternative proposals with amendments or alterations to the aforementioned articles.
