RE: Notification of Approval of Election Cycle Change to Even-Numbered Years

Dear Superintendent Hendricks,

Pursuant to California Election Code 10404.5(d) the Stanislaus County Board of Supervisors met on October 24, 2017 and approved the Sylvan Union School District resolution request to consolidate and hold future elections on the same day as the Statewide General Election conducted on the first Tuesday after the first Monday in November in even-numbered years. The terms of the incumbent board members will extend one year as permitted by law.

Pursuant to California Election Code 10404.5(e) on Mon., Nov. 13, 2017, within 30 days after the Board of Supervisors approval of the request, the Stanislaus County Registrar of Voters notified all 37,821 registered voters of the district affected by the consolidation. Notification of the approval to move from odd-numbered years to even-numbered years was made via U.S. mail delivery of a bi-lingual English / Spanish post card to all registered voters of the district at the expense of the district. Two copies are enclosed for your records.

The district will receive an invoice to reimburse Stanislaus County for the costs of the notification.

In order to prepare for your upcoming scheduled elections, please continue to keep the Registrar of Voters advised on changes of any voting boundary lines or trustee areas.

The Registrar of Voters office can be contacted at 209-525-5211 if you have questions regarding the voter notification post card or your invoice for this voter notification.

Sincerely,

Lee Lundrigan  
County Clerk / Recorder / Registrar of Voters
