To Whom It May Concern:

The enclosed check for \$500 is for the Disney Be Inspired Grant program that is administered by Youth Service America (YSA). The project is being overseen by Skylar McVicar/NEHS. Please reach out to let them know the funding has arrived for Away We Go.

Away We Go was selected through a competitive application process for their dedication to and proven success of their project. They are to use the funds to further their project and to help promote healthier living, strengthen communities, conserve nature, and inspire creative thinking. Away We Go's creative application and passion for the community issue they are working on inspired us and we hope that you will act as a support system for them as they continue to make a lasting change.

If you have questions please contact me by email or phone at [spope@ysa.org](mailto:spope@ysa.org) or (202) 650-5053.

Thank you for your support of YSA and the Disney Be Inspired program!

All the best,

*Sarah Pope*
