The Children's Annex

- ▶ The San Mateo-Foster City School District Children's Annex was established about 25 years ago as an enterprise fund to make contributions to the general fund
- ▶ It has grown to provide before and after school care at 21 sites and to 1, 172 students

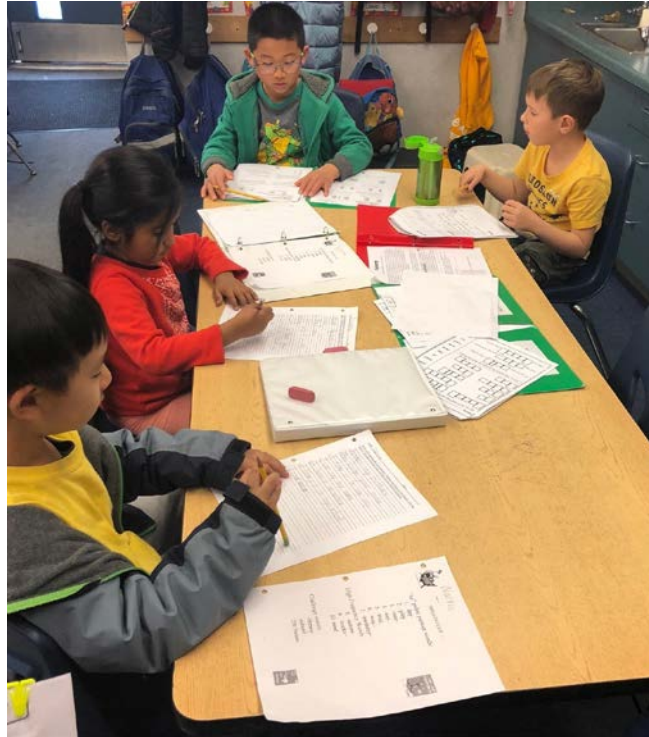

Our Mission

The Annex nurtures the academic and emotional success of students in a safe, respectful, and responsible environment. Students are well cared for by staff who are passionate about providing diverse and developmentally appropriate opportunities that enrich learning.
