Yvonne Perez  
Assistant Superintendent-Business Services  
Sylvan Union School District  
605 Sylvan Avenue  
Modesto CA 95350

Dear Yvonne Perez

The Reasons I would like to serve on the Citizens' Bond Oversight Committee are first I have had four kids attend school in this district, and have benefited from a well run district. The second reason is I work within the district's boundaries and have seen how people want to move to this area because of it being in the Sylvan School District. The community benefits from a desirable school district, and I would like to do my part by helping this district stay strong by donating my time and talents to this committee.

I have a Bachelors of Science Degree in Construction Management, and work as a Project Manager. With my education, and work background I would be a asset to this committee in helping to ensure that the bond revenue is expended in accordance to the constitutional requirements.

Thanks you for your consideration.

Brian Stacey

**Letter of Intent**

Please include a cover letter explaining:

1. why you want to serve on the committee; and
2. what special skills or experience you have that would be beneficial to the committee.

**Conflict of Interest**

*Education Code Section 15282 (b) and committee bylaws require that committee members not have a potential conflict of interest. Specifically, a committee member may not be a district employee, vendor, contractor or consultant. Employment which could result in becoming a contractor or subcontractor to the district would also be a potential conflict.*

I am applying to serve on the Citizens' Bond Oversight Committee in the indicated seat. I have read the conflict of interest information above and I do not have a conflict of interest that would prevent my serving on the committee. I agree to report such a conflict to the committee chair and district administration should it arise in the future.
