(CLAIM APPROVAL – CHIEF BUSINESS OFFICER)

Broadway Teachers Workshop

College and career readiness in the Theatre Arts is directly connected to what is happening in NYC and specifically on Broadway stages. As a high school teacher I need to connect with other teachers and the professionals in the industry to insure my teaching has the correct focus. I believe that training with professionals myself will allow me to bring back information that will gear my teaching toward having our Bearcat performers know what is expected of them in the industry.

This 3-day intensive workshop on Broadway includes tickets to 4 shows with post show cast discussions, 8 workshops and master classes with Broadway performers, creative teams, and production staff, and peer sessions throughout. The Broadway Teachers Workshop is designed to inspire teachers and directors of middle school, high school and college theatre with new teaching methods, enhanced production skills and an exchange of ideas with peers and professional Broadway artists.

An experience with Broadway professionals will give me additional tools to shape our performers into college or career ready young adults. After spending eight years in the classroom here at PRHS with many shows under my belt, I am ready to take our students to the next level.

Thank you for your consideration,

Marcy Goodnow
Paso High Theatre Company
