April 12, 2018

\_\_\_\_\_  
*Date*

Funds should be on deposit at the County Treasurer for this fund release within three weeks from the date above. Please contact your County Office of Education for information regarding availability of funds. Please refer to the OPSC web site under Project Tracking for your complete fund release information.

An expenditure report is required on an annual basis, with the first report due one year following the first release under the School Facility Program. (California Code of Regulations, Title 2, Section 1859.104)

In addition, a Progress Report is required 18 months from the date of the first fund release under the School Facility Program. (California Code of Regulations, Title 2, Section 1859.104 (b) and 1859.105)

*For information regarding this fund release, contact the project manager assigned.*
