

# Bonsall Elementary

## *April Board Report*

### Book Swap

Bonsall Elementary held its annual Book Swap on April 20. Books were collected by the PTA. Students were able to select at least one book. Having books in the home help to ensure that our students continue to build literacy and become better readers.

### Track and Field Day

Fourth and Fifth grade students participated in Track and Field Day on Wednesday, April 11. Students participated in many events, including the Standing and Running Long Jump, 220, 440, and 880. Our Bonsall Bears gave it their best as they competed for the opportunity to participate in the Tomlinson Games at Sullivan Middle School. BES also hosted Bonsall West students on April 12 and 13 for their own event. Fun was had by all!

### Fourth Grade Field Trip

Our fourth grade students visited the Buena Vista Adobe on April 13. Students and teachers toured an authentic adobe ranch home and museum. Hands-on activities included toy making, branding and leather tooling. It was a wonderful experience for our children.

#### April 24 Story Theater with Jonathon Kruk

On April 24 BES welcomed Jonathon Kruk to perform for our students. Mr. Kruk enchanted everyone with his tales. Students were invited on stage to enact the stories as Mr. Kruk spoke. Character building themes were incorporated in order to help children make good choices.

## CAASPP

Students began state testing on April 16. This is the opportunity for our students in grades 3-5 to demonstrate what they have learned this academic school year. We are proud of all the growth we have witnessed and look forward to seeing our students shine.
