# Title I

---

- Title I is the major component of the Elementary and Secondary Education Act (ESEA) and the largest federal assistance program for schools.
- The purpose of Title I is “is to ensure that all children have a fair, equal, and significant opportunity to obtain a high quality education and reach, at minimum, proficiency on challenging state academic achievement standards and state academic assessments.”

# Consolidated Application for Federal Funds

---

## 1. Apply for Categorical Funds (Title I, Title II, and Title III)

“The Consolidated Application (ConApp) is used by the California Department of Education (CDE) to distribute categorical funds from various state and federal programs to county offices, school districts, and direct-funded charter schools throughout California.”

## 2. Comply with legal requirements

“Annually, in May, each local educational agency (LEA) submits the spring release of the application to document participation in these programs and provide assurances that the district will comply with the legal requirements of each program. ”

## 3. Learn about funding amounts in January

“The winter release of the application is submitted in January of each year and contains the district entitlements for each funded program. Out of each state and federal program entitlement, districts allocate funds for indirect costs of administration, for programs operated by the district office, and for programs operated at schools.”
