Goal 8 Actions for 2018-2019

Students will make progress toward meeting or exceeding grade level California Standards.

- Sustain Math Standards/Curriculum Implementation in Math
 - Professional Development for teachers in Math for TK-2, 3-5, 6-8 and Math Foundations.
- Continue to Implement English Language Arts/English Language Development materials
- Focus on Next Generation Science Standards in 6-8 and begin implementation in TK-5
- Continue data meetings at elementary schools and begin data meetings at middle school.
- Professional development on cultural proficiency and implicit bias

Goal 8 Actions for 2018-2019 (continued)

Students who are English Learners and/or Socioeconomically Disadvantaged will make progress toward meeting or exceeding grade level California Standards.

- Continue to ensure consistent implementation of integrated and designated English Language Development
 - Designated ELD Cohort for Middle School Students (and professional development for teachers)
- Continue Newcomer Program
- Begin Elementary Cohort 1 of EL Achieve “Constructing Meaning”
- Continue Reading Specialist program and train 12 additional teachers
- Continue 2 period English Language Arts block in 6th & 7th grade and teacher professional development on Springboard implementation
- Continue AVID and expand to Bowditch

Goal 8 Actions for 2018-2019 (continued)

Students with disabilities will make progress toward meeting or exceeding grade level California Standards.

- Students with disabilities will be taught by highly qualified teachers in the Least Restrictive Environment, using grade level curriculum with appropriate accommodations/modifications according to his/her Individualized Education Plan (IEP)
- General Educators and Special Educators will collaborate to plan instructional strategies in order to meet the needs of diverse learners, including students with IEPs, within the Least Restrictive Environment
- Professional development for administrators and teachers on supporting students with special needs in an inclusive school environment.
- Select and purchase instructional materials that support student learning for students with disabilities.

Goal 9 Actions for 2018-2019

Students will engage in ongoing healthy lifestyles supporting social, emotional and physical aspects.

- Use California Healthy Kids Survey, Educational Vital Signs, Truancy and Discipline data to plan at sites.
- Provide support to students by maintaining:
 - School Psychologists and Resource Specialists
 - Middle School Counselors
 - Elementary School Counselors
- Promote student engagement and student achievement by monitoring and addressing chronic absenteeism.
- Develop inclusive school climates.

Goal 10 Actions for 2018-2019

Families will participate in their child's education

- Engage parents in learning how to support students in school
 - Family Engage Learning Institute
 - Parent Education including “I am Here and Ready for College”, Latino Literacy and Social-Emotional Wellness
 - Ensure parent outreach through provision of translation
- Engage Community Partners to maximize support to students and families.
- Use information from Communication Committee to inform District and Site communication practices.
